APPENDIX “A” LIONS MEMORIAL SERVICE

Leader Fellow Lions - We have gathered here to pay tribute to the memory of a fellow lion, **LION** who has passed into the fullness of immortal life and now abides in the mercy and care of our Heavenly Father.

LIONS - Please join me in our Lions Invocation:

Where Lions meet, be present Lord
To weld our hearts in one accord
To do Thy will Lord, make us strong
To aid the weak and right the wrong.

AMEN

I will now ask Lion to read the history and achievements of our late fellow Lion.

1st
Assistant (Lions Details history and achievements)

Leader Thank you, Lion, we shall all truly miss **LION** who has contributed so unselfishly to their family, their community, our Lions Club and Lions Clubs International. We must resolve to give a bit more of ourselves to fill the gap created by their passing in dedication to those not as fortunate as we who stand here today.

Lion will you please lead us in the Twenty-Third Psalm.

2nd
Assistant

"The Lord is my Shepherd, I shall not want;
He maketh me to lie down in green pastures;
He leadeth me by the still waters;
He restoreth my soul, He leadeth me in the paths
of righteousness for His names sake;
Yeah, though I walk through the Valley of the
shadow of death;
I will fear no evil, for Thou art with me;
Thy rod and Thy staff shall comfort me;
Thou preparest a table before me in the presence
of my enemies;
Thou annointest my head with oil;
My cup runneth over;
Surely goodness and mercy shall follow me all
the days of my life and I shall dwell in the House
of the Lord forever."

Leader In sympathy, our hearts are joined in acknowledgement of sacred ties now severed and of memories tenderly cherished.

In faith, we state our firm assurance, "That if our earthly house of this Tabernacle were dissolved, we have a building of God; a house not made with hands but eternal in the Heavens.

In hope, we recall the words of Christ: "In my Father's house there are many mansions: If it were not so, I would have told you. I go to prepare a place for you and if I go to prepare a place for you, I will come again and receive you unto Myself; that where I am, there may you be also."

3rd
Assistant

Let us bow our head in prayer:

"Our Father, whose Love has created us and given to us the high and solemn privilege of life, we thank Thee for the assurance that Thou hath given us eternal life which lies beyond death.

In these moments, as we join together in solemn tribute and loving memory, deepen our sympathy, increase our faith, and brighten our hope. May we not mourn those for whom there is no hope; rather may we look forward with assurance to a morning's joy with Thee. We thank Thee for the life of His, beloved by us and dear to the hearts of many.

For his Thoughtfulness of others, for His gentle heart and hands, for his example of lowly courtesy and devotion. To bless and console all who are precious to Him, and unto Him whom is dear. Inspire us with patience and fortitude, that together in friendliness and love, we may help to lift the burden or woe of the bereaved.

May we be filled with sympathy for the sufferings of others, and inspired to higher service and nobler living. So may the memory of our dear departed be a blessing unto us forever. We walk by faith, not by sight. Sustained by His faith, may we go from this place of mourning and this hour of reflection with the inspiration of a new hope and earnest purpose for our lives."

AMEN.

Leader To **LION** 's family and his/her fellow members, we pledge he/she shall not be forgotten and together we will continue the good work they believed and worked so devotedly for. Our commitment to community service shall be strengthened by their love and compassion for others.

Our sincere sympathy is expressed by this gathering to his/her wife/husband/companion and her/his family. We further pledge our support, both spiritually and morally, and we want you to know our close association will continue. Please call on us any time and we will be proud to offer our services.

Let us now take a moment to reflect and offer a silent prayer, each in their own way to the remembrance of this fine Lion.

(Moment of Silence)

MAY WE ALL DEPART IN THE PEACE OF CHRIST.

(This service was prepared by the Late PDG Gordon Morrison and PDG Peter L. Giffin.)

DIPLOMACY SUGGESTIONS FOR DISTRICT GOVERNOR VISITS

The district governor is elected to represent the Lions of N2. As part of his/her duties, the governor is expected to have at least one visit to each club in the district. The governor may assign specific visits to the vice-governor, or decide to make his/her official visits to clubs in a specific zone by attending a zone meeting. In addition to the official visits, governors attend numerous charter nights during their year in office.

Included in this article are suggestions clubs may want to consider for entertaining the governor during both the official visits and attendance at charter nights. Should the governor decide to have the vice-governor make the official visit to a club, or to a charter night, the following apply to his/her visit as well.

If the governor is making his/her official visit to clubs within a specific zone during a zone meeting, the zone chairman, or another Lion appointed by him/her, should act as host/hostess for the governor. In such situations, the zone chairman should consult with the clubs within the zone pertaining to a gift, or gifts, for the governor.

These are merely suggestions; however, if followed, they will make the visit more enjoyable for both the governor/vice-governor and the club.

A. OFFICIAL CLUB VISIT:

Each year the governor establishes dates for his/her official club visits. These are listed in the district directory. Thus, clubs wishing the official visit at a particular time to coincide with a special activity, are encouraged to contact the district governor (elect) prior to the printing of the directory. It is suggested this be done immediately after the Nova Scotia Convention.

As soon as your club has been advised of the date of the official visit, appoint a Lion who will be responsible for the governor visit.

This Lion should contact the governor well in advance to see if he/she has any special requests, presentations, etc. and if he/she knows the location for the clubs meetings.

The governor should be met at the door and be introduced to club members. A meal ticket should be provided and the governor should be shown where he/she will be sitting. If there is a bar, the governor should be offered a drink. The liaison Lion should accompany the governor until the meeting commences.

If the governor has not provided a biographical sketch, the club should request one be sent prior to the visit. A Lion should be selected to introduce the governor. This does not have to be a past, or current, district officer. If present, clubs may wish to ask the zone chairman to do the introduction.

During an official visit, the governor is the guest speaker. There should be no other guest speaker, or program, during the governor's visit. Any presentations, inductions, etc. should be

scheduled after the governor speaks. It is customary for the governor to present his/her banner and pin to the club. Clubs may want to reciprocate by presenting a club banner and pin to the governor.

The governor should be thanked for his message and, if the club is presenting a gift, it should be presented by the president. Should the governor have asked for a donation to one, or more, of the Lions foundations, clubs may want to honor his/her request.

An opportunity should be presented for the governor to meet with the board immediately after the meeting. This is not necessary; however, the governor may wish to have such a meeting. Ask him/her before the official visit so plans can be made for a meeting.

A notice in your local paper of the governor's visit, with a picture, will certainly help your clubs public relations program. If the press has been invited to the meeting, make arrangements for the press to meet with the governor.

The official visit of the governor should be treated as a special occasion when clubs have an opportunity to host and get to know their governor. Ensure the visit is an enjoyable one by following the procedures outlined above.

B. CHARTER NIGHT

Obviously the governor can't attend all charter nights. Thus, if your club wants to invite him/her to a charter night, do so very early. This is particularly important for special charter nights like the 25th, 50th, etc.

Should the vice-governor be representing the governor, the following apply to him/her as well.

Again, appoint a Lion and partner who will act as host/hostess for the governor and partner. Send an official invitation with detailed information to the district governor/partner well in advance of the charter night. It is customary for the governor to wear his/her white tuxedo for charter nights. If activities planned make this inappropriate, inform the governor at the time the invitation is sent.

Inform the governor of any special duties you would like him/her to perform. This helps the governor to plan his/her visit by ensuring proper materials are available.

As with the official visit, the host Lion/partner should meet the governor and partner at the door and introduce them to Lions and other guests, including the politicians, in attendance. Ensure he/she knows where he/she will be sitting. Offer to buy him/her a drink. Some clubs issue several bar tickets.

It is customary for the governor to be guest speaker; however, if that is not the case, courtesy calls for him/her to be informed of this at the time the invitation is sent. If the governor is the guest speaker, there should be no other guest speakers or major programs during the evening.

The governor (guest speaker) should be seated immediately to the right of the chairman, with his/her partner immediately next to him/her. When spouses/partners are present they should be seated to the members left when on the left side and to the members right when seated on the right side. Introduction of the head table should start on the far left and end with the governor (guest speaker) who is seated on the right next to the chairman. When spouses/partners are present, they should be introduced with the member (Eg: Zone Chairman Bob and his wife Jane).

Again, ensure the governor is properly introduced (once only) and thanked for his/her visit. If gifts are appropriate, they should be presented immediately after the governor completes his speech.

Any presentations, special activities, etc., in which you want the governor to participate should be scheduled after the governors main address.

Make arrangements for a press release and, if the press is in attendance, see the governor is interviewed by the press. If the press is not available, see that a press release, with pictures, is made immediately after the charter night.

Charter nights are very special occasions for Lions clubs and governors are very pleased to be invited to attend. Clubs should ensure the governor is made to feel an important part of this special event with a warm welcome, a proper introduction, involvement in the program/activities and opportunities to meet others in attendance
