Dear Fellow Lions,

It is hard to believe how fast time is going. I have visited over half of the clubs in our district and have enjoyed spending time with each one. You have all been very sincere with your welcoming and showing me all the amazing things that you have done for service. You have all shown your communities what “We Serve” means. I am looking forward to the rest of my visits. Hopefully the weather is more forgiving. I would like to see more clubs reporting on MyLion. This is very important for Lions International. As of January 26, it states that District N2 had served 25, 744 people, an average of 14 people served per member, 306 service activities completed and 11,009 volunteer hours. With 70 very active clubs, you can see that these numbers are a lot lower that what we are actually doing. So just imagine what then happens on the larger scale internationally. Unfortunately, Lions may not be able to continue to say that we are “The largest non-profit volunteer organization in the world” if we don’t have the facts to back it up. There are other organizations try to take claim of this fact. That is why it is so important for us to do our part and let Lions International know ALL the amazing service projects we do in District N2. If you need help, we can get it for you. We have many Lions willing to assist you in letting Lions International know all what your club does in service. Lion Frank Hartman and his team are ready, willing and able to help you get reporting on MyLion. Just Ask! I look forward to seeing you at the Winter Cabinet. A lot of great things are happening in our District that will be revealed there. If you can come to the Dalhousie Meet & Greet, please do, you will get to interact with some high energy Lions who are working by our motto “We Serve” in their own way and leaving their mark in their own communities.

Sincerely,

Your District Governor,

Lion Debbie McGinley

Letter to the Editor

The Nova Scotia Lion

Fellow Lions in District N2

In just over 1/2 of our Lions year 29 clubs have served 34,175 people in 366 activities, donated \$53,234.00 and 12,534 volunteer hours.

I am proud of the accomplishments of the members of these 29 clubs and I believe we should be doing something to let all Nova Scotians know these facts. I am grieved that accomplishments of the members of the other 41 clubs in our District are not recognized because someone in their club does not care enough to report them to the District and LCI.

I believe that the work we do in every Lions year would show these numbers would increase by a multiple of 5 or 6 if all our 71 clubs were able to be reported accurately and that the sum of these numbers would be worthy of note in the province wide media with a properly targeted public relations effort.

As it now stands we don't even seem to be proud enough to report this limited but substantial information in our own Nova Scotia Lion.
