We Serve

Thank you for your interest in becoming a Lion.

Lions meet the needs of local communities and the world. Being members of Lions Clubs International, the largest service club organization in the world, is something that we are proud of. Our commitment to " WE SERVE " enables us to help those in our communities and around the world who are less fortunate than ourselves.

Over 1,400,000 men and women throughout the world are members of Lions Clubs International. Why not consider joining us. There are no special skills required. You do not have to be in any particular age group, of any particular standing in the community, only be of legal age and good moral character.

We should emphasize that membership in a Lions Club is by invitation only! Should you be interested in becoming a Lion, please provide us with your name and contact information as outlined below by forwarding it to ken@hantsportlionsclub.com and we will forward it to a Lions Club in your area for membership consideration only.
