Dear Fellow Lions,

To the Lions of Nova Scotia, THANK YOU for all your continued support and willingness to be part of my theme BE THE CHANGE!! So many of you stepped outside of your comfort zone to try something new and you did amazing!! Be proud Lions. This year definitely took a turn, due to COVID-19, making us find the change in the ways we support our communities. It always warms my heart to see Lions working together embracing each other's ideas with care and compassion to make sure all ideas turn into reality and succeed. Your communities thank you for your commitment.

I would like to thank all the Lions and Lions Clubs that were able to support my personal goal of raising funds for a Lions Foundation of Canada Autism Assistance Support Dog. To date, I am over 1/2 way there. Yes, I hit a big Corona road bump this spring but that won't stop me from reaching my goal. (I happen to have some DG dragonfly pins left)

I would like to thank my biggest supporters over this past year who gave up much of their time and energy and been my foundation, even during my absenteeism. My loving husband Lion Doug and my 3 amazing kids who make me proud everyday Lion Jeanetta, Lion Katelyn, and Lion Cameron. And the biggest joy in my life, my granddaughter Charlotte.

I am a volunteer because I believe that it is better to give than to receive. Many non-lions have asked me if I got paid to do this. I say no, not in dollars, but the rewards in my heart are priceless. Thank you all for an amazing year of adventures, learning, thankfulness, humbleness, humour, and fulfillment.

I wish DGE Lion Jane a great year. Don't blink too long, your year will fly by too quickly. I ask that you give DGE Lion Jane all the patience and support you can as this is not the way any District Governor should have to enter their term with so many challenges in front of them. We are Lions, we support each other, we will make it through this tough time. We can and will "be the change" that our communities need to make it through this rough time. **NS Lions Strong**

Kingston Lions Club

The Kingston Lions Club always wants to help the community, and in this instance – their local health care workers. As we all know, the Covid-19 pandemic has created many levels of stress for our health care providers. The Kingston Lions know how to feed large groups of people and that is what they did on June 17th. The Lions prepared and delivered 168 complete cold plate meals, including desserts, to Soldiers Memorial Hospital to cover all staff and all shifts at the hospital. As well, 10 meals were delivered to Middleton’s EHS team. Kingston Lion president Alice Neiley personally thanked and awarded certificates of appreciation to Donnie Shepherd, Co-Site Lead at Soldiers Memorial Hospital, and Craig and Samantha of EHS.

Pet Valu Walk for Dog Guides

For over 34 years, the Pet Valu Walk for Dog Guides has been a vital national fundraiser in support of Lions Foundation of Canada Dog Guides. Now more than ever Dog Guides is relying on the generous support of its donors and partners to meet its goal of *giving Canadians a new leash on life*.

On May 31st the first ever Pet Valu Virtual Walk for Dog Guides took place in a physically distant manner. Participants showed their support for Lions Foundation of Canada Dog Guides by going for a walk around the block, lifting some weights, running on your treadmill at home, dancing in their living room, jumping on the trampoline, or anything physically active all while practicing social distancing.

Together we have raised a total of \$249,060 so far! Please continue to promote or donate to this virtual fundraiser as we now try to achieve our goal of \$325,000, which will represent one Dog Guide for each province and territory.

Join thousands of others virtually as we support the **Pet Valu Virtual Walk for Dog Guides**. Every dollar raised through the virtual walk will support Lions Foundation of Canada Dog Guides and its mission to assist Canadians with a medical or physical disability by providing them Dog Guides at no cost.

Lions clubs/Bay Treasure Chest donate life saving AED's

In Canada there are an estimated 40,000 cardiac arrests each year equaling one every 12-13 minutes. Most people experience no warning signs or symptoms before a cardiac "incident" and as 70% of those occur outside of hospital the percentage for survival is quite low without defibrillation. For every one minute delay the survival rate decreases by 7-10%. After 12 minutes the chance for survival is as low as 5% or less. With the use of an AED (automated external defibrillator) over CPR on its own survival rates increase to 75%. STAGGERING STATISTICS. Currently there are over 1,100 AED's registered in Nova Scotia. Registration is as critical as the device itself as it allows 911 dispatch to let the caller know whether an AED is nearby.

As the Hubbards & Area Lions Club is a vital part of the community we felt we should have an AED on site both for the many people who frequent the club itself as well as for the Aspotogan Fitness Centre located on the lower level of the club (21 Lions Club Rd, Fox Point). With the use of our EARNED monies from our partnership with the Bay Treasure Chest Association this has become a reality.

During my research I discovered my daughters high school in Tantallon was also in need of an AED so we quickly approached one of our hub partners (St Margaret's Bay Lions Club) to help share the cost, again using our EARNED BTC monies. Sir John A MacDonald High School hosts many venues such as sporting events, school plays etc not to mention the fact the school houses over 1,000 students and staff. Both devices are a very welcomed addition to our communities. Lastly I'd like to thank everyone who helped make this endeavour possible from those who play their toonies weekly, all members of both lions clubs and to interim/acting principal Agnes Greer. THANK YOU THANK YOU.

Last August I reached out to our local food bank inquiring about backpacks and school supplies for community children and whether there was a need. The answer was yes so off to Staples and Walmart we went.

In September I decided to take the backpacks a step further by contacting school principal Sarah Wile at Shatford Memorial Elementary School.

Statistics show that in most communities some families struggle month to month, and a big part of that struggle is food. Monday through Friday can be somewhat easier as children are in school where breakfast and lunch programs are provided, which we are also pleased to help with.

Weekends however remain challenging; this is where the HUBBARDS LOINS BACKPACK BUDDIES PROGRAM comes into play.

At the end of each school week, bags are made up at the lions club consisting of small meals, snacks, drinks and fresh fruit. These bags are then delivered to the school principal who in turn discreetly places them in backpacks. One little guy told Mrs Wile that Friday's were like having Christmas every week.

In March when Covid 19 forced schools and the province to shut down the concern grew for these children and their families. Weekly shopping continued, but bags were delivered to doorsteps instead of school. We continue to "keep an eye" on our families throughout the summer months, delivering meals etc. When needed.

The program will continue in September with the hopeful reopening of school.

Brigadoon Village

Brigadoon Village is an amazing not for profit charitable organization focused on youth aged 7-18 with chronic illness and other life challenges across Atlantic Canada. The concept was the epiphany of founder Dave McKeage who himself was diagnosed with cancer at the age of 11. He led the charge of planning, design and fundraising, which began in 2001. After raising \$8.5M, the facility officially opened its doors in 2011.

The year-round facility offers 14 summer programs as well as a few during March Break and other times of the year.

- Camp Watcha Say (deaf & hard of hearing)
- Camp See-Ya (blind & visually impaired)
- Camp Brainiac (neurosurgery)
- Camp Carpe Diem (epilepsy)
- Camp Braveheart (congenital heart condition)
- Camp Join Together (arthritis)
- Camp BELIEVE (mental illness)
- Camp Kendooooopse (bereavement)
- Camp Treasure Chest (asthma, anaphylaxis, lung/respiratory)
- Camp Guts & Gloy / Got2Go (Crohns, Colitis, ostomy, cecostomy)
- Camp Good Times (cancer)
- Camp Silly-Yak (celiac disease)
- Camp Trailblazers (craniofacial differences)

These programs offer many activities for the youth to learn from, enjoy and best of all, have fun at:

- Leadership Program
- Arts & Crafts
- Performing Arts & Theatre
- Cooking & nutrition program
- Camp fire singing
- Team building skills
- Wilderness camping
- Music
- Media
- Swimming
- Nature learning
- Kayaking, canoeing
- Archery

The Lions of District N2 were approached for financial assistance to help build Brigadoon. The District pledged \$250 000 in 2012 toward building Brigadoon from the ground up. Final payment of the pledge was celebrated in 2016. All 70 clubs across our district have donated over \$270 000 in total. Since 2016, the clubs continue to make annual donations to support families who cannot afford to send their child to camp.

Brigadoon Village (continued from page 15)

Director of Development for Brigadoon Michelle Bohaychuk said “Since the very early days, Lions across Nova Scotia have been an integral partner in supporting Brigadoon. Their support not only helped build Brigadoon but also help fund hundreds of camp stays for children whose families cannot afford it. We are incredibly grateful for the ongoing support received from Lions, as it provides essential funding on an ongoing basis to ensure no child is ever turned away for financial reason.”

With COVID-19 this year, there will be no summer camps, however, there are on-line virtual programs being offered. Unfortunately, registration for the virtual programs has closed. Registration for 2021 summer camp will start early in upcoming new year, so check ut the programs offered on their website and if you know someone who would like to attend advise them to register early.
