District Governor's Newsletter

September already! Where have the last two months gone? 1st Vice District Governor Joyce, 2nd Vice District Governor Karen and I are preparing for club visitations which begin next week. This year the two VDGs are included in the visitation process as we want all club visits to be completed by the end of November. There are several reasons for including the VDGs in the visitation schedule. Due to Covid and the difficulty of getting together, the VDGs have had fewer opportunities to meet Lions from across the province. It is our hope they will meet many Lions as they complete their visitations, and will identify members they would like to have serve in their cabinets. Secondly, we feel it is important that all clubs are aware of the district goals in a timely manner so they can do their part in assisting the district in meeting the goals. (More about that later). Thirdly, we are very concerned about a predicted upswing in covid cases and the resulting closures, and hope to have our visitations in before this may occur.

Lions Clubs International has mandated that all districts must develop yearly goals in the areas of service, membership, leadership and the Lions Clubs International Foundation. The incoming team for 2022-23 met during the spring and summer to develop the following five goals:

1. 70% of newly elected Club Presidents, Secretaries, Treasurers, Global Service Chairs and Global Membership Chairs will participate in District-led Zoom training by October 31, 2022.
2. 80% of the clubs in N2 will end the 2022-23 Lions year with an increased membership of at least one over the 2021-22 Lions year.
3. 50% of N2 Lions Clubs will donate to Lions of Canada Fund for LCIF.
4. 50% of the District's Club Officers will complete the appropriate Club Officer Training Courses on the Lions Learning Centre by Oct 31, 2022.
5. Each club will report sufficient hours to equal one hour of service per member on MyLion.

Each club is asked to do what they can to help the district meet these goals. More information will be shared by the district cabinet members as the fall progresses.

The Fall Cabinet Meeting is scheduled for October 1st, hosted by the Lake Echo Lions Club. Registration information has been forwarded to all club secretaries. Please contact your secretary if you are interested in attending but have not registered.

Congratulations to the Nova Scotia Lions Cyber Club as they received their Charter on August 30.

AYLESFORD

At their business meeting on July 20 the Aylesford and District Lions received a neat politely worded letter from Kaelen Lloyd requesting assistance so he could attend a basketball summer camp at Acadia University on August 22 to 27. One of the Lions goals is to promote healthy lifestyles with exercise for youth and this request fell into that category, and the club approved to help this young man to have an experience he otherwise would have missed.

Kaelen Lloyd receiving a cheque to assist his Basketball camp expenses from Aylesford Lions President Fred Huntley

Without community service, we would not have a strong quality of life. It's important to the person who serves as well as the recipient. It's the way in which we ourselves grow and develop.

Notice

From LCIF Chairperson Douglas X. Alexander

Greetings Lions and Leos!

We are each guided by kindness to serve not only those in our own communities, but also people in need around the world. Giving to Lions Clubs International Foundation (LCIF) ensures that your donation makes the most impact, both locally and globally. LCIF is the only Lions foundation to empower the service of Lions worldwide, and 100% of your donation benefits LCIF grants and programs. This issue of your LCIF newsletter shares some of the ways we, through our continued support of our foundation, can take our service to greater heights.

Thank you for joining me in service through doing AND giving.

Helping Combat Diabetes in Australia

Diabetes is a global epidemic that reaches every corner of the world. Lions in Australia recognized the importance of helping teenagers with diabetes, and they turned to Lions Clubs International Foundation (LCIF) for help.
