District Governor's Message

As we prepare to move into the second half of the Lions Year let's review the past few months and look head to the new calendar year. You may have heard the term "new normal" in describing what the post COVID time would look like. Unfortunately, COVID seems to be part of our lives moving forward and we, as Lions, are adapting to that new normal. I am sure we all hoped that our clubs and our members would be able to slide back into our past activities without much fallout. Again, unfortunately, we realize now that COVID has had an impact on our clubs which we now have to deal with. Over and over I hear of clubs that are having difficulty in getting back on track. I suggest it is time to do what we do best, accept our new realities and move forward. As always, there are three areas we need to focus on: service, membership and leadership. Our clubs have one purpose: service to our communities. We have a rich history of meeting the needs wherever they appear. One of my proudest moments so far this year was when we received a LCIF grant which allowed us to help citizens in the Glace Bay area as they recovered from COVID. Our monthly activity reports from clubs are full of examples of how we serve our communities, from Food Bank/Pantry assistance to trips for medical appointments, bursaries, free skates and providing spaces for community members to meet. Our motto, We Serve, guides us in our activities and is the reason for our being. Economic factors appear to be our new challenge and I know we will rise to meet those needs. I also encourage clubs to ensure they report their service in MyLion. While some may see this as extra work, it is vital we share our service with our communities and Lions Clubs International. If you need assistance in this area, please reach out to District Service Chair, Lion Wendy at Wendy.owen@lawrencetownlions.ca

Membership in our District and in Lions Clubs worldwide has been on a downswing for the past few years but I am happy to share we are beginning to see a reverse of that in N2. The loss of over 120 Lions impacts our clubs and the service they can do. More members means more service and an influx of new members brings new ideas and new energy. Please be on the lookout for new members, encourage them to join your clubs, ask them what service they believe is needed in their communities and encourage them to meet those needs with the help of their club members. Think back to why you joined Lions and share your enthusiasm with your members. Lion Gordon Taylor, our District Membership Chair is always willing to help and is available at govgord@gmail.com Leadership also continues to be a challenge for us in N2. Many of our club and zone leaders have been doing the task for a number of years and are ready to hand over their positions to new leaders. Unfortunately, members are not stepping up to accept the challenge and existing leaders are looking to step down. In January clubs will begin to conduct their nomination process of officers for the 2023-24 Lions year. We will return to in-person training for the club positions of president, secretary, treasurer and membership chair. To ensure we can reach as many members as possible we ask that all officers positions be filled and entered in MyLCI by April 15th so we can communicate with the incoming officers before the training takes place. I am aware of at least one club which is in danger of closing if no new leaders are identified. Orientation sessions will also be offered in the new year and club leaders are requested to pass that information along to their members, especially their new members who may not know what we are all about.

We all need to remember that our members are our strength. Happy, informed members make for happy, informed clubs. The District Governor's team encourages us all to work together to ensure the needs of our communities are met by happy, enthusiastic Lions.

CHRISTMAS IN KINGSTON

On December 19th, District N2 Nova Scotia Kingston Lion Linda Wilson and her crew of merry Lions made and delivered Christmas Cookie treat and candy bags to local seniors in the Kingston/Greenwood area. Lions Ruby Moore, Linda Wilson, Barbara Elford, Linda Otto, and Christine Rithaler made the cookies and Lions Ruby Moore, Linda Wilson and Linda Otto packaged them up. The "two" Linda's delivered the cookies, brightening up the days of the seniors they delivered to. Way to go Lions!!

This year they served up just over 500 full breakfasts on Christmas Eve, most between 7:30 - 10:00 am. While down, as was expected, from their pre-pandemic average of over 800.
