BEE-LIEVE IN POSSIBILITY

Summer Message 2023 from DG Joyce

Fellow Lions of District N2, welcome to a new Lions year. I encourage you to join me in putting the vision of International President Dr. Patti Hill into action.

On the final day of LCIcon 2023 in Boston in July, IP Patti told us, “Changing the world is a journey. There is no middle and no end. There is only a beginning - and it starts with us.

It happens through the many small choices and acts of kindness we make every day. Together, the sum of our efforts makes the world a better place, one life, one relationship and one community at a time.”

At the 105th Lions Clubs International Convention, I also had the opportunity to meet the 2022-2023 Grand Prize Winners of the Lions International Peace Poster and Peace Essay Contests, obtain signed copies of their entries, and listen as 11-year-old Keaton Hamilton, sponsored by the Newmarket Lions Club of Ontario, read his essay, “Friends as Leaders,” from the Braille original. Both Keaton’s essay and the poster submitted by 13-year-old Emma Andreea Paveliuc from Romania, were true to the theme “Leading with Compassion.”

Lions, both entries from these creative young people support IP Patti’s vision of “Changing the World” and District N2’s mission “Bee-lieve in Possibility.”

LIONS INTERNATIONAL

PEACE CONTESTS

This year, let’s “Dare to Dream,” the theme of the 2023-2024 Peace Poster and Essay Contests. Purchase kits for just \$11.95 US from Lions International before the October 1, 2023, deadline.

On July 16, I was entrusted with reading the names of deceased Lions and community members at the Lions Memorial Park dedication ceremony in Milford. With each \$200 memorial stone purchased, \$50 goes to the Lions Foundation of Nova Scotia, \$50 to Lions Foundation of Canada Dog Guides, and \$100 to the Lions Memorial Park Society for stone installation and park maintenance. To order a stone, please contact:

MISSION 1.5 is a drive to reach 1.5 million members worldwide, so we can better meet the growing needs of our communities and serve more people than ever before. Every Lion has an important part to play. Together, we can grow Lions Clubs to extraordinary new heights, serving an untold number of people in need.

MISSION 1.5 is a dedicated effort. The next four years are committed to reaching the historic Lions Club membership goal. Our Global Membership Approach is designed to revitalize existing clubs, charter new ones, and inspire all Lions through fellowship and exciting service.

DISTRICT N2 GOALS

We need to work together to fulfil our visions, achieve our mission, attain our goals. The District N2 team and I ask that each zone, each club, each Lion in Nova Scotia strive to realise them throughout the year.

- Service: Increase percentage of clubs reporting service by 10% by end June 2024.
- Membership: Start one new club with 20 charter members by end June 2024.
- Membership: At the NS Convention, hold a Worldwide induction ceremony to rejuvenate clubs.
- Membership: Have 5% fewer dropped members than previous year by end June 2024.
- Leadership: Have 33% of club officers complete training in Lions Learning Center by June 15.
- Leadership: Hold an Emerging Lions Leadership Institute weekend for up to 25 by April 21.
- LCIF: By end June 2024, 34 clubs (50%) in N2 will donate to LCIF, an increase of 7.
- LCIF: By end June 2024, 12 individual Lions, an increase of 100%, will donate to LCIF.
- LCIF: District N2 will apply for a matching grant for a district project by September 30.
- LCIF: Clubs will be informed of various grants available from LCIF by December 30.
- LCIF: Member education about Lions of Canada Foundation for LCIF by Winter Cabinet.

In the wake of Hurricane Fiona last fall, Glace Bay Lions John Danch, secretary-treasurer John Moores, and vice-president Sharon Stevenson can be seen at Sobeys handing out \$100 food vouchers to 130 people who lost groceries due to power outages. The funds came from an LCIF emergency grant for \$10,000 US.

Greg MacNeil, Cape Breton Post

I've often heard Lions asking why we should support Lions Clubs International Foundation, asking what it has ever done for us. I believe that question has been answered in the past year, as our district has faced three major environmental challenges, and successfully completed \$10,000 US grants to provide relief to the Glace Bay area in the wake of Hurricane Fiona last September, and to the St. Margaret's Bay and Barrington areas following the wildfires in June.

Now, we have another environmental emergency after torrential rains hit parts of Nova Scotia in July, and another grant application could be in the works soon.

The need is greater than ever before to support LCIF. Make your donations through:

Lions of Nova Scotia, we are a team over 1,600 strong. While we need to grow to make a still greater impact, together we can accomplish much within our own clubs, our communities, our zones, and our district. Please don't hesitate to reach out to me or anyone on the District N2 team if you have questions, concerns, or ideas to share.

I am sending this message to the N2 Lions on behalf of PDG Jane Gregory, your LCIF Chair who is in the process of moving.

In 2022-2023, N2 received two Emergency Grants totalling \$20,000 US. That is far more than we as a District donated to LCIF. Its our turn to give back. Others now need help from LCIF too.

Last week DG Joyce forwarded a message from our MDN LCIF Chair who suggested that each Lions consider giving a minimum of \$5.00 per month to LCIF. Below is the way you can donate on a monthly basis. \$5.00 a month = \$60.00 a year.

Scan the QR code.
It takes you to the
Lions of Canada Fund For LCIF.

Send a cheque to
Lions of Canada Fund for LCIF.

\$5.00 a week is much less that
what we spend on Coffee with a
friend.

Lion leaders, lead by example!
Be first in your club to give.

We can do this,
we can make a difference!

Yours in Lionism,
Lion Susan and Lion Jane
