# DISTRICT GOVERNOR
# LION GEORGE CHURNEY
# 2015-2016

Lion George was born and raised in Glace Bay.
At the ripe old age of 17 he enlisted in the RCAF and remained for over 20 years.
In his early air force years he trained as an aircraft mechanic and also assembled and maintained the BOMARC missile.
Later becoming a Radar Systems Technician.
He served at Cold Lake Alberta, LaMacaza Quebec, Shearwater and in Greenwood.
During his time at Greenwood he visited many countries while doing anti-submarine patrol duties over the Atlantic.
After retiring from the air force he worked as both a Life, and General Insurance Representative for CUMIS Life Insurance Company, the insurance arm of the Canadian Credit Union Movement.
During these years he traveled the 4 Atlantic provinces, also including at the time, Labrador.
Somewhere along the way he found time to be publisher and CEO of a weekly newspaper in New Brunswick for a few years.
Upon his retirement in 1992, he and his wife Debby planned and self contracted their retirement home in Bedford, moving in on NewYear's Eve. 1993 was devoted to the task of landscaping.
In January of 1994, some friends of his 14 year old son, lived just 2 doors away, and their dad just happened to be, the President of the Bedford Lions Club.
Feeling life had been good to him, he decided it was time to give something back. So he called KL Kent Nickerson and asked…."how does one become a Lion".

And the rest as they say…is history.

Lion George has been a Director many times, Treasurer, President, Zone Chairman, Fundraising Chair, Road Toll Chair, AAH Chair Membership Chair and he has managed the Bedford Club's Bingo for 13 years.

Lion George is a Melvin Jones Fellow, Life member Lions Foundation of Canada, Life member of Lions Foundation of Nova Scotia.
He has received a Letter of Commendation, and a Certificate of Appreciation from the President of Lions International.

Lion George has 4 children and 1 stepdaughter. He is married to his best friend Debby.

**AMHERST LIONS CLUB HISTORY**

The Amherst Lions Club Inc. was chartered on June 11th 1954 and was sponsored by the Truro Lions Club. Twenty Four members were on the new club's charter. The first charter night was held at the Fort Cumberland Hotel and was attended by a senior officer from Lions International.

Right from the beginning, the club has been involved in projects with --- the Canadian National Institute for the Blind (CNIB) and in activities involving persons with eyesight problems. As early as 1954 the club was donating funds for the purchase of talking books, seeing eye dogs and more. Other major contributions to help the blind include equipment for the Amherst Public Library, coordinating the collection of used eyeglasses and the purchasing of new glasses for those in need.

The Lions have been assisted by a group of Lionettes which chartered in 1962. They later became the Lioness chartering in 1981. Together they have supported groups in their work to help the less fortunate. Seniors and the mentally challenged have been on the

Amherst Lions Club list of priorities since the inception of the Club and last but not least its involvement with the Canadian Diabetic Society.

Major financial donations were made in the construction of the new YMCA, donating $20,000.00 for the study and $100,000.00 on the construction. Since then we have donated $2,000.00 a year and gave another $20,000.00 for the reopening. The Club has been involved with the hospital since the clubs founding, giving $50,000.00 plus another $20,000.00. We have furnished rooms in both the old hospital and the new hospital. Recently the Lions and Lioness have donated major funding towards the construction of a new Operating Room totaling $30,000.00.

Over the years the Amherst Lions Club has been involved with causes which in retrospect appear interesting. The Club has also been involved with Little League Baseball since its early years, 1954, financially as well as volunteering. We are the only original sponsor remaining and we still sponsor a team as well. Our team has won the league championship many times. Recently we donated $10,000.00 towards the building of a new club house.

In 1954 the Amherst Lions took over the Hickman Street Ball field and Playground which is now the Bantam Ball field and the children's playground renaming the field "The Lion Cecil Small Ball Field" and the playground "The Lions Park Playground". Over the years the club has maintained these two area's buying play equipment and repairing the old play equipment as well as ground maintenance. In 2006 the club spent $65,000.00 in renovations to The Lions Park Playground by resurfacing the grounds, buying all new play equipment and making it wheelchair accessible. We don't stop there. We are also supporters of Minor Hockey, Soccer, Figure Skating, Basketball, Boys and Girls Boxing Club and many, many more. The flag poles at the town hall were donated by the Lions Club and numerous cars were bought for the VON.

Fund Raising

Lionism and fund raising have become quasi-synonymous to the Club. Members have given thousand of hours of their time to raising funds in support of worthy causes. The

first large fund raising projects were centered on the sale of light bulbs, chocolates, canned nuts, chicken BBQ's. The club's involvement with groups depending heavily on funds for their worthy endeavors led the club to explore a more lucrative and consistent source of funds. Consequently TV Bingo's since 1972 and regular weekly bingos have been held since 1984. They were first held in the Alfran Centre and then moved to McCullough's building which is now Frenchies. The present site of Bambino's Take Out on Prince Arthur Street was the Lions Club. The Lions later purchased the old Atlantic Wholesaler's building on Electric Street which became and still is The Lions Community Center.

The Amherst Lions Club has sponsored a number of clubs;

Sackville N.B., Tatamagouche N.S., Springhill N.S., Pugwash N.S., Maccan-River Hebert-Joggins N.S..

The Barrington Area Lions Club was chartered on November 28, 1962.
Sponsoring club was the Yarmouth Lions Club.
The clubs first service project was the purchase of a hearing aid for a local 15 year old girl.
Scope of service activities included practically anything that would make the surrounding communities a better place to live and expanding to include National and International programs.
Some of the major activities of the club during the first twelve years before erecting our hall in 1984:
Commenced the Lions 743 Air Cadet Squadron
Commenced (and expanded) the high school driver education program
Erected two rifle ranges
Commenced a bursary program at the local high school
Commenced and expanded a water safety program
Donated more than $3000 to local high school library and developed a program whereby an additional $6000 was raised
Commenced lending service for medical equipment
Sponsored the Shelburne Lions Club- April 6, 1963
Sponsored the Liverpool Lions Club- April 13, 1964
In May 1974 a very hard-working Lionette Club was formed. Today they are the driving force behind Blood Donor clinics, making and serving refreshments and helping where needed.
Canteen at Bingo every Tuesday night, catering annual canteen at the Barrington exhibition.
The Club's fund-raising activities during this period were:
Direct sales to the Public- chief among these were our annual light bulb campaign, tag day, bridge tolls, raffles, sweepstakes, operating booths at fairs and annual cooking school which continues to be highly successful.
In 1974 we built a hall 80x40 with a full basement. An extension 15'x20' was added for a well –equipped modern kitchen. Today's kitchen is 15x48 with storage area and walk-in cooler.
Greatly expanded fund-raising projects were possible with our new facility, chiefly among these were bingos, dances, special dinners for the public, large catering jobs, hall rentals.
At the back of the main hall we have an extension 19x24 to store our medical equipment, hospital beds, wheelchairs, walkers, commodes, crutches, canes & oxygen pumps.
A 1994 expansion was made to the hall-40x40 with a full basement.
Scouts have a permanent 1600 sq. ft. area in the basement for their use.
We purchased a dog guide in 1989
Lionette's purchased a dog guide in 1989
In we 2004 purchased a Special Skills dog guide.
Collect eye-glasses for developing countries
Collect postage stamps
Provide free use of the hall for the scouting program
Provide all local churches with free use of the hall once each year

Free use of the Hall for many non-profit organizations
Hold “Safe Grad” at the hall each year
30 years participant in the Terry Fox Foundation
50 years service to Canadian Blood Service

**The Bedford Lions Club was formed in 1946 and is proudly serving our community in our 69th year.**

**Over the years we have completed many projects, large and small. One of our first major projects was the completion of the Dr.Gerald J. LeBrun Arena, which served as Bedford's only ice facility until the completion of the BMO Center in 2011. Other notable recreational areas made possible by the Bedford Lions Club are the Lions Outdoor Swimming Pool and the adjacent Lions Playground.**

**Over the following years, the Lions built the addition to the arena building that houses the large community hall whit a modern kitchen facility. It is commonly known as the "Lions Den". This hall is available to the public on a rental bases. Over the years many a couple enjoyed their wedding reception in the Lions Den. Some have even held their 25th anniversary, and others their 50th anniversary there.**

**Another recreational facility our citizens enjoy is the Bedford Leisure Club. This facility houses a Seniors Club, a furniture repair and restoration shop and is the home of the Bedford Lawn Bowling Club. This also is courtesy of the Bedford Lions Club.**

**In recent years the Bedford Lions donated $150,000.00 matching both the Province and HRM to create a country park setting with a pristine lake swimming area…"Bedford Lions Sandy Lake Park". This excellent facility is located at the end of Smith Road off the Hammond Plains Road, in the heart of Bedford.**

**Of course it would be impossible to name all the contributions Bedford Lions have made over the years. To name a few, a $100,000.00 donation to the new Cobequid**

**Community Health Center, $25,000.00 in scholarships to CPA High School students and more than $20,000.00 to the Diabetes Foundation. Many, many charities and individuals in need of emergency assistance have also been helped.**

**We have provided thousands of dollars for humanitarian disaster relief, such as the Quebec Ice Storm, Hurricane Katrina and the Japanese Tsunami. Many donated eyeglasses have been collected and helped save the vision of thousands of individuals in Third World Countries.**

**During the summer of 1955, a group of 26 men formed the newest Lions Club in Nova Scotia at that time. Lions International issued the charter proclaiming The Bridgetown Lions Club to be an official member of Lions Clubs International on September 21, 1955.**

**The Bridgetown Lions Club has played a large part in the building of the Memorial Arena, the Swimming Pool and, more recently, has contributed major funding to the new Bridgetown Fire Hall, presently under construction.**

**The Lions Club provides continuing support to many other programs, such as Army Cadets, CNIB, Terry Fox Run, "Northwood In Touch", the BRHS graduation breakfast, the BRES Christmas Santa party, Bridgetown Community Recreation Association and grants a variety of bursaries and sponsorships every year.**

**The current twenty-five dedicated members, including 7 women, of the Bridgetown Lions continue to carry on the vision of those 26 pioneers who, fifty-five years ago, dreamed of making Bridgetown a better place to live, work and play. As we look ahead, we plan to continue "giving back to our community".**

# CLUB HISTORY

**The Bridgewater Area Lions Club, sponsored by the Middleton Lions Club, received its charter on September 19th, 1955 At that time the club had 25 charter members. The club has sponsored new Lions Clubs in Mahone Bay Area and New Germany Area.**

**During the years our club has been very supportive of the local hospital, VON, and the Lions Foundation of Canada. We have participated in many youth, sight and diabetes programs at the local and provincial levels. Major contributions have been made to school programs at both Bridgewater Elementary and Bridgewater High School. We have assisted with the purchase of eyeglasses, hearing aids and helped many individuals with medical expenses. Whenever a social or health related need arose our club rose to the occasion and assisted with expenses.**

**We are pleased to have recently supported a zone project that raised $30,000 towards the cancer detecting stainer at the South Shore Regional Hospital**

## Canso Lions Club Background

The Canso Lions Club received its Charter on April 25th, 1968, the original membership was 21 with members from Canso and surrounding communities. Over the years the Canso Lions Club met at the Mermaid Lodge, Phalen Hall and Canso High School until a new Lion's Den was opened in 1983.

Since 1983 there have been two extensions to the Lion building plus upgrading of the kitchen and washrooms. The Lions building is a comfort center with its generator and propane cooking ability.

From its very inception the Canso Lions Club has been involved in every aspect of life in the Canso area, numerous projects have aided individuals and families in need. Canso Lions have assisted the Canso Daycare, Eastern Memorial Hospital, Canso Arena, Canso Fire Department, Canso Library, Canso Minor Hockey, Canso Academy and Fanning Education Centre, Shamrock Seniors Club, Town of Canso, Canso, Eastern Counties Youth Association, Scouts, Cadets, Canso Regatta, Canso Curling Club, local museums, Little Dover Development Association and GOALS ,Canso Regatta and Stanfest.

Public projects include the construction of the Seamen's Memorial in 1976 and hosting the Annual Provincial Seamen's Memorial Service

on the second Sunday in August. The Memorial site has had several major improvements and upgrades a continuing project for the Lions plus numerous projects in the Canso area.

In 2021 the Canso Lions Club partnered with the Antigonish Lions Club to help secure $27,740 matching funding of from Lions Club International Foundation for a new portable ultrasound cart for Eastern Memorial Hospital.
The Lion's Den is an important facility for the Lions and the community hosting benefit bingo, seniors Christmas dinners telethons, Cable TV, children's programs, darts, card plays plus the annual Christmas party for Guysborough Options for Adaptive Living Society for and public meetings.

Canso Lions meet on the first and third Wednesday of each month at the Lions Hall.

**CLUB HISTORY**

Our Lions Club was chartered in October 1998, with a membership of 21 men and women with Mahone Bay Area lions Club as sponsor. We serve the communities of Chester, Chester Basin and New Ross and their surrounding communities. With a current membership of 18 and four Affiliate members for a total of 22, we have a balanced representation from the three main areas we serve. Although a relatively new club, we are very active and take part in many service activities which better the communities we serve.

While attempting to form a club in the spring of 1998, the Mahone Bay & Area Lions Club, including a number of our prospective Lions, held two service projects. A Barney the Dinosaur concert was held at Chester District School to raise money for specialized equipment for a hearing impaired child at that school. This was a very successful project. We also held a shop-free at the Chester Save Easy that raised money for service activities. These two projects of our sponsoring club helped increase public awareness about the work of Lions Clubs.

Our active involvement at all levels of Lionism has resulted in our club receiving some major awards. Some of the awards received by our club over the years has been: Best club in 2001-02, 2002-03 & 2005-06; Rose Bowl trophy, Walk for Dog Guides trophy, best bulletin, runner-up best president, best secretary, runner-up best secretary, best public relations trophy, best website, and a photo submitted by one of our members came in second in the environmental contest.

Internationally our club donates to Lions Clubs International Foundation. Our club was a model club for Campaign Site First 2 and a number of donations have been made to disasters that have 183occurred around the world.

Nationally our club donates to Lions Foundation of Canada. Our club sponsored four Guide Dogs, particapted in annual Walk for Dog Guides and support other Foundation fundraisers.

Provincially our club donates to Lions Foundation of Nova Scotia by purchasing Life Memberships.

Locally our club supports seniors programs, one of which is the Wheels to Meals program held at Chester Basin Legion. Our club also installs and services Emergency Response Systems for Northwood In touch.

For Youth our club awards two bursaries annually to graduating students from our area. We support youth sports by donating to Pro Kids, donate to Safe Graduation program, donated to New Ross Sports Complex and Chester Rink. A pledge of $5,000 has been made to Camp Brigadoon, annually support Camp Maxwell a camp for youth with type 1 diabetes and have supported a number of other school projects.

Other community support: Two major projects were the Lions Park at Shoreham Village Home for Special Care in Chester and the New Ross Lions Park. Our club donates annually to the South Shore Regional Hospital Foundation, Bonny Lea Farm, recently a pledge of $25,000 was mae to Our Health Centre in Chester. Our club also participates annually in the Relay for Life, donates to CNIB, Canadian Diabetes Association and many more local and provincial fundraisers. Lions can be found on a number of service projects, keeping with our motto "We Serve".

**The Coldbrook and District Lions Club was officially presented with its Charter by the immediate Past District Governor Elmer Ling, October 4, 1980, at the Berwick Lions Hall. Although the Charter was October 4th, the official date of club formation was June 16, 1980. District Governor Gordon Morrison was unable to attend the Charter night due to being hospitalized. Past King Lion Clarie Anderson from the New Minas Lions Club, was Master of Ceremonies for the gala event. The New Minas Lions Club is the sponsoring club for the newest Lions Club. Berwick Lions and Lionesses catered to the 200 persons in attendance. Head Table Guests included: Councilor and Mrs. Arnold Yorke, PDG and Mrs. Buster Wood-worth and PDG and Mrs. Elmer Ling. Lions Clubs were represented from all groups in Region 6 including Windsor, Canning, Port Williams, Wolfville, New Minas, Kentville, Berwick, Aylesford and Kingston. There were also representatives from the Bridgewater Lions Club. Induction of the 26 Charter Members was performed by PDG Elmer Ling, assisted by Deputy District Governor Ted Stoddard and Zone Chairman Walter Morton. New Members are: President Phil Lefebvre, 1st Vice President Laverne Lonergan, 2nd VP Frank Piwek, 3rd VP Bryce DeEll, Secretary Lee Wood, Treasurer Randy McNutt, Lion Tamer Bill Brommit, Tail Twister**

**Granville Fraser; Paul Madden and Curtis Harris, 1st Year Directors; Ken Nichol and Ian Keddy, 2nd Year Directors; Elwood Dorman, Ed Farndale, Bill Hopkins, Glendon Leggett, Frank Spinney, Greg Spinney, Murray Ward, Carl Wagner, Blair Pudsey, Bernie Praught, Ken Newcombe, Craig Meredith and Bill Wier. The installation of the officers was performed by PDG Buster Woodworth assisted by DDG Ted Stoddard and PDDG Ernie Wilson. In his remarks, PDG Elmer congratulated the new club on becoming the 63rd Lions Club in Nova Scotia. He also noted that the Lions Organization is the largest service club in the world, with a membership of over 1.4 million from 151 countries. He said "our projects help to make communities better places to live in, play in, and bring up a family in. I feel confident that the Coldbrook and District Lions Club will add to this record of service accomplishments in the coming years." Accepting the Charter, King Lion Phil Lefebvre thanked Lions, and in particular, the New Minas Lions Club, for help in organizing the new club. He said "the main object of a Lions Club is to endeavor to make our community a better place in which to live, work and raise our families. With the continued support of our club members and the members of this fast growing area, I am sure we can achieve this and a lot more." King Lion Levebvre was previously a member of the New Minas Lions Club. The following club equipment was presented: gong and gavel by King Lion Ray Isnor of the New Minas Lions Club; club banner by PDG Elmer Ling on behalf of District 41N2 (Nova Scotia); podium by Past Zone Chairman Hugh Moore, Tail Twister bank by King Lion Eugene Cowie of the Kingston Lions Club; road signs by King Lion John Rainforth of the Berwick Lions Club and a donation of money by King Lion Morton Steward of the Canning Lions Club. PDG Elmer Ling presented the Lions extension awards from the district to Lions Phil Lefebvre and Laverne Lonergan. This award is in recognition of the work done by two deserving Lions in assisting the formation of a new club. The following were presented certificates by Lefebvre: Councilor Arnold Yorke, PDG Buster Woodworth, Lion Fraser Dorman and PDDG Clarie Anderson. The Coldbrook and district Lions Club meets the 2nd and 4th Wednesday of each month at 7 p.m. at the Coldbrook Community Hall. Please Note: The Coldbrook and District now hold Board of Directors Meetings on the 1st Wednesday of each month, Dinner Meetings on the 2nd Wednesday and Business Meetings on the 4th Wednesday and Huntington Hayes Community Center, 1416 South Bishop Road, Coldbrook.**

## Eastern Passage / Cow Bay Lions Club 1972 – 2012

Through the efforts of the Dartmouth Club Lions Mort Osbourne, Joe Maungh and Jim MacGinnis, the Eastern Passage Cow Bay Lions Club was sponsored by the Dartmouth Lions Club. They saw the need to have a service club in the Eastern Passage Cow Bay area.

An organizational meeting was held in St. Andrews hall and it was there that the Eastern Passage Cow Bay Lions Club was formed. We were chartered on March 7th, 1972 with 33 members (we still have two charter members), and our first Charter Night was held on April 11th, 1972 at the Buffalo Club.

In the first years, the Club met at the Buffalo Club, the Fire Department, Cow Bay or St. Andrews halls.

In 1978, with the assistance from the Honourable Garnet Brown, the Club received a grant, purchased land from the Scott Horne family and erected our building. A local contractor, Ron MacKenzie, was hired to oversee the program.

With the assistance of the Ladies Auxiliary, which was originally formed in 1973, we were able to burn the Club's Mortgage in 10 years.

Over the years, with the help of the ladies and the Lions, we were able to make improvements to the hall. The kitchen was renovated and changes continue to be carried out today. The hall was extended, a new bar area, new washrooms and a clubroom were

added. In more recent years, new siding, windows and ceiling lights have been addressed. All these changes were carried out not only by the ladies and Lions but also by many volunteers. Without the support received from the community, none of these changes could have taken place.

Our Club has been extremely fortunate to have such a strong Ladies Auxiliary. These ladies continually give of their time as requirements such as funerals, fund-raising events, weddings, etc., they have always put forth the required time and effort to make each event a major success. Visiting Lions are amazed at the insignificant prices they charge for such deliciously served meals all prepared by the members of the Auxiliary. Through their efforts, the Ladies Auxiliary has donated over one hundred thousand dollars to the Lions and we graciously thank them.

Over the past 38 years, the Lions Club has been heavily involved in assisting our community.

To name a few of the many organizations we've created and / or assist with:

- Carnival Days
- The Beacon
- Adopt a Highway
- Annual Food Drive (the Hall is used to store food collected)
- Christmas Food Hampers for those in need
- Summer Works Program which caters to assisting neighbouring seniors during the summer months
- We sponsor two foster children
- Assist in the purchase of Seeing Eye Dogs
- Dartmouth Adult Special Education Centre (DASC)
- Maintain a community bulletin board
- Scouts and Cadets
- Assist in the annual Terry Fox Run
- The Benevolent Society
- Monthly Bingo's at Ocean View Manor
- Dartmouth Meals on Wheels

- Absum / Phoenix house
- Collect stamps
- Collect eye glasses for distribution to third world countries
- Red Cross – initially beginning through the efforts of the late Mort Osbourne and Pat DeYoung,
- Dreams take Flight
- Community Breakfast

In 2008, we placed 6th out of 160 communities in Canada for total donations to the Dog Guides. We hold monthly dances to help raise money for the Dog Guides.

In 2011, we had our first member elected as a District Governor.

We currently have 37 members and have completed another addition to our building in 2010.

## Club History

**In the fall of 1969 Lionism came to the Mahone Bay area with the chartering of a Lions Club consisting of 23 members. Bridgewater was the sponsoring Lions Club. District Governor Joe Maund was the guest speaker at the charter night held at the Mahone Bay Fire Hall. It was a memorable evening as the power went off part way through the evening and food had to be cooked off site.**

**Almost immediately this new club had an impact on the area with the construction of the swimming pool. The club has, throughout the years, provided annual operating assistance. After construction the pool was turned over to the town and is now operated by a swimming pool society.**

**In subsequent years the club constructed a tiny tots playground and a public washroom at the ball park. In addition to these major projects the club provided significant financial assistance for the bandstand, tennis courts and ballpark. In recent years the club donated the beautiful flagpole at the town's wharf.**

**The 1970's saw the club conduct a major financial campaign that raised $15,000 to help a local family that had to make many trips to Boston as a result of major surgery for their young daughter. In the true spirit of Lionism our club made arrangements with Lions from the Boston area to meet, transport and provide accommodations for the parents during the child's operation. This was a true community effort as many people, businesses and other organizations made significant contributions.**

**In the early years fund raising was very onerous with such projects ad a fuel oil raffle, 100 Club, dances, variety shows, Christmas cakes, gas-o-rama, sale of light bulbs and other useful items. A bingo was started at the Legion Hall and, after that, the club had sufficient revenue to conduct a valuable service program. Later came such fund raising projects as apple and Christmas tree sales, the operation of a food booth at the Wooden Boat Festival, a variety of dinners, a grocery draw, walk for dog guides, operation of the flea market and sale of several other items.**

**Community service has always been very important to the club. Members have assisted fire departments and the Forties Community Center with their bingo. In cooperation with the Royal Canadian Legion and the Town of Mahone Bay the club has co-sponsored the New Year's Levy and the Senior Christmas Party. For many years the club has conducted a food bank drive in Mahone Bay and area. The club has been an active participant in the Wooden Boat and Scarecrow Festivals.**

**The club has been involved in assisting with fund raising for the CNIB, Abilities Foundation, Terry Fox Run, Kidney Foundation, VON, Big Brothers and Sisters, Diabetes Association, the Ark, Canadian Red Cross and several others.**

**Always very supportive of the Lions' Foundations the club has sponsored seven dog guides, participated in funding capital projects at Lions Foundation of Canada, been a model club as part of Campaign Sight First II, made members life members of both the Nova Scotia Foundation and Lions Foundation of Canada, contributed**

**to specific causes of LCIF when natural disasters required assistance from our international foundation.**
**During the years the club has received many district awards for excellence such as the Best Club Trophy, Outstanding Lion Trophy, Best President and Secretary Trophies, Visitation Award, Best Bulletin Award, Public Relations Trophy and several of the awards for making the highest per capita donations to the Lions' Foundations.**
**Along with meeting many community needs, and being major contributor to the Lions' Foundations, the club has had a very active and extensive youth program including such activities as a LEO Club, Lions Quest, sponsoring Scouts, drug awareness activities, involvement in the peace poster contest, bursaries safe graduation, public speaking, bicycle rodeos and sponsorship of various school sports events.**
**In 1973 a very active Lionette Club was organized that greatly assisted the Lions Club with many of the projects and activities, such as dinners, apple sales, raffles, social activities and a takeout lunch. This club ceased functioning in 2000 after 27 years of active service to the community.**
**Health and Social Services activities have played an important part of the work of this club. Major donations to both the Fishermen's and SSRH, the Nova Scotia Eye Center, Bonny Lea Farm and assistance with expenses and purchase of equipment for needy residents have been very obvious in the work of the club.**
**Members of the Mahone Bay Area Lions Club have served in a variety of zone and district offices such as Zone Chairman, Deputy District Governor, Region Chairman, District Chairman, Vice District Governor, Cabinet Secretary Treasurer and District Governor. They have also served on the boards of the Lions' Foundations and been involved in specific fund raising projects such as Campaign Sight First and Partners in Independence.**
**In 1998, the Chester Basin/New Ross/Chester Lions Club, sponsored by the Mahone Bay Area Lions Club, was chartered. A Branch of the Mahone Bay Area Lions Club was formed in Riverport during 2003-04 and, in 2006, the Riverport District Lions Club, sponsored by Mahone Bay, was chartered. Lion Gary Langille was the Guiding Lion for both these new Lions Clubs.**
**Of the original 23 charter members, two are still active in Lionism. PDG Charles Uhlman, club charter president, and Lion Errol Veinotte are currently members of the Mahone Bay Area Lions Club.**

**Middleton the District Lions Club History (as provided by Lion Larry Lohnes April 2013)**

**The following is a brief history of the Middleton Lions Club for the period November 8, 1945 to November 4, 1995, as compiled by Lyons Ralph Veinot and Ronald Brown, with the assistance of Lion Carl Bruce, ex-charter member Ronald Mailman, ex-member Paul Roop, and some input by others.**

**All through the years, we have claimed to be the second club in district 41 – C [now known as 41 – N2], second to the original Halifax club, which disbanded in the 1970's. The real fact is that we are third. Second, is the Dartmouth club, which held its organization meeting on October 25, 1945, while Middleton held its organization meeting on November 8, 1945. This meeting was held at the town hall as well as their second meeting on November 23, 1945, at which time they set the dues at one dollar per month, payable in advance.**

**The twenty–one Charter Members were Spurgeon Grimm – charter president, Robert Henderson – secretary-treasurer, G. L. Andrews, George Beals, Charles Black, Fred, Diadick, L. Murray Dodge, Emerson Eaton, Cyril Joudrey, Owen Lyons, John D. MacKenzie, Max Naphtal, Harry Parker, Warren T. Roop, Fred Smith, Melburne Armstrong, Dr. H. E. Kelley, Dr. Carl F. Messenger, Ronald E. Mailman, Gerald Mosher, and Clyde Whitman.**

**We wish to remember, thankfully, all the deceased; and honor in a special way all the surviving Charter Members for having the initiative to accept the challenge of the late Helen Keller to prevent it – and someday reverse – blindness, which we have now accomplished, thanks to the founder of Lions Clubs International – the late Melvin Jones. We thank all those who followed in the footsteps of the Charter Members and contributed their share to the 50 year' s service to our community.**

**Early meetings were held until December 1950, at the "Lions' Den" at Dick's Place, a dining and dancing establishment in Wilmot, now known as Pine Glen Cabins and Apartments. Additional meeting places were, January 1951 to June 30, 1959 – at the American House, September 1959 to June 1962 – Middleton Fire Hall, September 1962 to June 1965 – Driftwood Motel, September 1965 to June 1966 – Shaker Restaurant [now known as the host of Cheng], September 1966 to June 1970 – back to Middleton Fire HallSeptember 1972, June 1972 – Mid Valley Motel.**

**After the acquisition and renovations of our own "Lions' Den" in Nictaux Falls in May 1972 until the present date is where all functions are being held. At that time, we became incorporated under the Society Act of Nova Scotia, and thus our name change from Middleton Lions Club to Middleton and District Lions Club.**

# A History of the

**Milford & District Lions Club**
**The First 33 Years**

Like many Community Organizations, the Milford & District Lions Club began in the kitchen in 1974, specifically the kitchens of Robie Horne, Gordon Grant and Len Giffen.

The latter two were members of the Shubenacadie Lions Club and Robie was a former member of the Middleton Lions Club. During the early 1970's the Shubenacadie Club had grown and prospered and it was felt the time was right to start a new Club in Milford.

At the Kitchen meetings names of prospective members were listed, telephone calls were made and the organizational meeting was scheduled for the Milford Recreation Hall. The necessary 20 members were signed at the meeting and a date was scheduled for the official charter. In all a total of 27 members were listed as Charter Members by the deadline date and although that first party was held in the spring of 1975, the club was officially in operation with its new officers elected in January and the annual anniversary celebration has been held the last Saturday in January since, with the exception of a couple of occasions when weather forced a postponement of a week.

## THE EARLY YEARS

The new club grew quickly and became very active both in the local community and the District level, which encompassed the entire province of Nova Scotia.

From the outset support for the Milford Recreation Association and its various activities was a primary objective of the club. That support has continued through to the present and with the exception of a couple of lean years, the club has funded about 50 percent of the annual operating costs of the Recreation Center as well as major contributions to the capital and grounds maintenance expenditures. In total the club has contributed about a quarter of a million dollars to the Milford Recreation Association over the first 25 years.

The primary source of funds for this activity has been the weekly Bingo at the MRA hall. Members contributed almost 1000 hours of volunteer labor per year to operate the Bingo, which for the most part had been financially rewarding but on occasion has faltered as well. In 2000 the expansion by the province into VLT"s, casinos and lotteries negatively impacted most community Bingos. Our Bingo struggled to break even over several years and while we changed our format in hopes of finding a new winning formula such was not to be and the Bingo was permanently closed in 2002.

The annual Easter Breakfast is another activity that has been with the club since year one. It started modestly with pancakes and sausages but quickly took on a life of its own, growing and expanding into a full "all you can eat" breakfast and one of the social events of the year in the community and is now serving over 500 people each year. If you have friends or former schoolmates you haven't seen for years, just spend Easter Saturday morning at the Lions breakfast and chances are they will come through the door.

Youth activities have been another priority for the club since its inception and thousand of dollars are spent each year to that end. The three elementary schools in the area have all benefited from playground equipments, school trips, Christmas visits from Santa and other special events such as bike rodeos and the RCMP race for drug display.

In addition the club sponsors an Air Cadet Squadron and has supported the Scout and 4-H movements along with a number of sports teams and summer camps for local disabled children.

In 1977 the Club sponsored the establishment of a Lioness Club and is equally proud of the outstanding community service these women have contributed over the years. In the late 1990's the Lioness Club purchased a dog guide for an individual at a cost of $6000.00

## THE 1980'S

Early in the 1980's the need for transportation for community groups became evident and the Club responded by purchasing a van which was made available on a free loan basis, although voluntary donations for its upkeep were accepted. Over a period of 10-12 years some 500,000 kms were registered by community groups on 2 vans purchased and maintained by the Club

Changes in school board policy in the early 1990's precluded the need for this service to the schools and when the second van was the project was allowed to expire.

The need for professional entertainment in the local area was also identified in the early 1980's and the Lions Club responded by bringing Neptune 'theatre, a circus and a

number of professional singers and performers to the High School and the MRA property. These projects were not envisioned as fundraisers and admission was priced to achieve a break-even bottom line.

In some cases a substantial financial guarantee was required and while some events made a profit, others resulted in a loss with the overall result being the achievement of a break even as planned.

Not many folks remember but long before recycling became the government operated program it is today the Milford Lions Club was into recycling paper, cardboard and glass in a major way. The little building on the front of Liola Reid's property was our glass breaking and storage area and periodically a twenty ton tandem truckload was hauled away to Moncton courtesy of Shaw's trucking.

Every single bottle of the thousands that made up each load was collected from our six drop box locations and broken by hand into steel barrels by Lion volunteers. We sometimes did get help from some young people who couldn't resist the lure of breaking glass bottles.

Many locals will also remember seeing Lions loading tons of newspaper into tractor trailers in front of the barn belonging to the late James Kerr on the site where Barb and Dorothy Aitken have built their home. The help of Air Cadets and other young people were also greatly appreciated on "loading days" and the club regularly earned three to five thousand dollars per year on this activity until, like seems to be happening with bingo, the government took over our business.

## MORE 1980'S INITIATIVES

A new Arena for the area had been discussed for many years but no real progress was made until the Lions Club hired a professional firm to do a feasibility study. The results of the study were turned over to the Arena Association and became the catalyst for the development of the new building now operating in Lantz.

The Club installed school crosswalk signs at key locations along Highway #2 at a cost of $2000.00 each and maintenance and power bills also paid by the club through out the 1980's and 1990's. Here again government policy intervened and after several years of discussion we were forced to remove them in 1998.

Many people have now heard of "Lifeline", the program that provides shut-ins and the elderly with automated telephone dialing for assistance when needed. Once again, long before this was popular and became a profitable business our Lions Club had developed its own system, thanks to the skill of Lion Jack van de Riet, and provided the service free of charge in our coverage area.

The service is still available, but we now provide it as agents of Northwood Manor in Halifax and the service is no longer free.

## THE CHALLENGING 1990'S

The 1990's, particularly the later "90's were challenging years for the Club. Members aged and priorities changed. Work pressures and financial constraints all combined to challenge the Club. A smaller membership meant a greater load on each individual and yet despite these problems the Club continues to play a leadership role in

many areas of activity and on an encouraging note as we left the 20th century the membership once again begun to expand.

## THE NEW CENTURY

Just prior to the dawn of the New Century the Club took on a firewood project as a fundraiser to help offset the drop in revenue from Bingo. The Club purchased 20 or so cords of wood in long length and cut, split, and delivered it to local citizens.

Then, "along came Juan", windy, windy hurricane Juan and trees were felled far and wide. As a community service members cleaned up fallen trees for seniors and disabled in the area and were approached by Milford Recreation Association to clear up the many fallen trees along their wooded walking trails with the wood recovered to be the property of the club. Three years and hundreds of cords of wood later the job was completed with a net gain for the club of about thirty thousand dollars plus a wood splitter and loader.

Surprisingly the sore group of members who completed the work were almost all senior citizens and at the peak of the job in 2002 the average age of the crew that worked 5-6 days per week from 8 am till noon for 3 months was 68 years old.

The same basic crew still process 50 to 60 cords of wood per year for sale by the Club at a net profit of 5 to 6 thousand dollars annually.

As noted earlier our mainstay fundraiser of Bingo in the early years died in 2002, but not for long. In January of 2007 the Club joined with four others to launch a Radio Bingo with a Truro Radio Station every Tuesday evening.

Lo and behold it has taken off like a rocket and proving to be an excellent fundraiser for the club. Hopefully the government won't decide to take it over.

The new Century brought a new Challenge to the Lions of the World to raise 150 million U.S. dollars for sight related projects in Campaign Sightfirst II and once again the Milford Club has responded with a $5000.00 gift from the club and another $5000.00 in personal gifts from members to our International Foundation which was recognized in 2006 as the number 1 charity in the entire world by the United Nations.

In addition to its ongoing activities the club has pledged a gift of $5000.00 to the new regional hospital which will be realized from the proceeds of the annual fall roast beef dinner.

## IN SUMMARY

In 1925, Lions were challenged by Helen Keller to become "Knights of the Blind". That challenge was taken up by the Lions and support for the visually impaired and blindness prevention has been a cornerstone of our activity ever since.

Since our founding in 1975, the Milford Club has actively supported the twin goals of blindness prevention and assistance to the visually impaired. As earlier noted in the reference to the Lioness Club's purchase of a dog guide, the Lions have annually supported the Canadian Lions own school in Oakville. This School, raises, trains and matches dog guides with the visually impaired, hearing ear dogs with the hearing impaired and special skills dogs with the physically disabled throughout Canada. In addition to its annual support to the operations budget the Club has contributed $5000.00

to the construction of new and expanded puppy breeding and training kennel facilities for our complex and $6000.00 for a dog guide.

The work of the CNIB here in Nova Scotia is also supported by the Club and we have, for many years, collected used eyeglasses which are subsequently used in Lions Eye Centers in third world countries to improve vision for hundreds of thousands of individuals.

Lion David Manning has played a leadership role in Nova Scotia in both the capital campaigns for the new kennels and the used eyeglass program and in 2005 was elected to a 3 year term on the Board of Directors of the Lions Foundation of Canada. He went on to serve as Chairman of the Board in 2007/08.

Early in the '90's Lions of the world undertook a massive campaign to raise 200 million dollars to eliminate reversible and preventable blindness through out the world.

That campaign achieved its objective in 1995 and here in Nova Scotia the Milford & District Lions Club ranked Number 1 in its fundraising efforts.

Since 1995 millions of people in the third world have benefited and millions more will benefit from the permanent eye treatment centers and other projects established with the funds.

In addition to the ongoing activities of the club noted earlier our members continue to do the hundreds of little things every year that help someone in need. Splitting wood for a senior, providing free sick room equipment, sponsoring a youth public speaking contest, school bursaries, support for the Angel Tree, caring and sharing, the IWK; the list goes on and on.

In total the Milford & District Lions Club has raised and spent more than a million dollars on humanitarian service in its first twenty-five years. With the continuing support of our friends and neighbors we will do even more in the next twenty-five.

In 1995 Lion Len Giffen of our club was the first Nova Scotian in the 50 year history of the Organization in the Province to be elected to the International Board of Directors. During his 2 year term as Director he chaired the International Leadership Committee and continues to serve the International Organization as a Faculty Member of Leadership Institutes for Lions throughout North America.

As a Director and Past Director Lion Len has conducted seminars and training events for Lions on five Continents.

The club continues to grow and we are fortunate to have attracted a number of new young members including some very capable women to take over from the seniors and ensure that community needs will continue to be met in the foreseeable future.

**New Minas & District Lions Club History**

Date of Charter November 24th, 1970
Sponsor: Kentville Lions Club

In October 1970 organizational meetings were held to form the New Minas & District Lions Club. In attendance from the Kentville Lions Club were: KL Doug Seamone, Lion Secretary Ed Magee, District Governor Dave Waterbury, PDDG Hugh Larkin. Also in attendance was International representative Lion Rene Mathieu. They met at the White Spot with Bill Milligan, Roydon Vail, Ulric Dawson, Mel MacKenzie and Ernie Wilson, just to name a few who were interested in forming a Lions Club.

On Tuesday, November 24, 1970 at 6:30 pm the first meeting of the New Minas & District Lions Club was held at the Gabriel Restaurant in New Minas. Some of the new officers in attendance were KL Bill Milligan, Secretary Lion Ulric Dawson, Treasurer Lion Roydon Vail, Lion Tamer Lion Gerald Bishop and Tail Twister Lion Ernie Wilson to name a few.

Meetings were held the 1st & 3rd Tuesdays of each month at 6:60 pm except July & August. On Saturday, February 13th, 1971, our Charter was presented to our Club at a special meeting held at the Canning Lions Hall by District Governor David Waterbury with 24 Charter Members.

The Club continued meeting at the Gabriel Restaurant until 1973. The Club then moved their meetings to the Kent Lodge in Kentville until 1974 when they moved to the Black Forest Restaurant in the County Fai Mall in New Minas. In 1977 the Club moved its meetings to the Civic Centre in New Minas and changed their meeting nights to the 2nd & 4th Tuesday of each month. In 2013 the Club moved its meetings to the Louis Millett Community Complex.

## Springhill 2011 Lions Club History

A brief history of the Club:

- There was a previous Springhill Lions Club that dissolved in the early 90's. On August 25, 2011, 26 interested people arrived at the Springhill Fire Department, to discuss having a Lions Club in Springhill again.
- Sept 1, 2011 the first official meeting was held with GMT Peter Jefferies. Our Immediate Executive was elected.

Drew Fraser – President
Wendy Nelson – Secretary
Rebecca Nelson – Treasurer
Stephanie Smith – Membership Director

- By Sept 22, 2011 we were officially chartered as the Springhill 2011 Lions Club, sponsored by the Parrsboro Lion Club. We held our charter night on Oct 29, 2011. We started this club with 41 charter members.
- In May 2013, we sponsored the Springhill Leos Club with 16 Leos

A brief outline of the service projects and activities your club has carried out over the years:

- We  partner with the Salvation Army for the "Toys for Tots" program
- We participate in helping with the manning of the Christmas Kettles
- We hold an annual Easter Egg Hunt for the children
- We participate in the Springhill Christmas parade
- We participate twice annually in the Adopt A Highway program
- We are holding our 1st annual school supply drive
- Community Corn Boil
- Warm Clothing Drive
- 275emetery Pillar Restoration
- Leave a Legacy Memoorial Bench
- Drug Awareness

A list of ways your Club raises funds:

- Raffles
- Bar-B-Q's
- Yard Sales

**Some Past History provided by Spryfield Lions Club**

On April 16, 1957, the Spryfield Lions Club began to serve the community of Spryfield with 25 Charter Members.

Through continued fundraising (bingo, road tolls, nut/lightbulb sales, dances, raffles, etc.) the Club raised approximately $ 3,000,000.00. Asa result, they sponsored major projects such as: Kidston Lake Park (1969), Spryfield Lions Rink (1972), Lions Den (1978), Recreation Center (1980) all of which are owned and operated by the Spryfield Lions Club and Lions Wave Action Pool (1985). Each year, many projects (too numerous to mention) provide support to the young and old, sick and needy, whether it be summer camps, eyeglasses, food, wheelchairs and ramps, open heart surgery, etc. Each year the Spryfield Club and the Lioness host Christmas Dinner for the Post-Mentally Challenged, when, well over 120 people are fed and entertained. The Club sponsors Minor Hockey and Ball, as well as donating Bursaries to the local high school on a yearly basis.

In 1969 after the completion of Kidston Lake Park, the Spryfield Lions Club proposed building an indoor ice -skating rink. With the full support of all members Lion Frank “Wee” Martin was made Chairman. Lion Frank, along with committee members Lions Hans Nilsson and Murry Purcell, willingly gave hundreds of unpaid man hours. Randell Park Developments donated a parcel of land in back of the high school, with the provision that the existing Drysdale Road would be extended to the site. Lion John Buchanan arranged with Bernie Fancy (local excavator) to build the road. After a little peacemaking, the surveying was completed in March 1972 and the first sod was turned in April 1972.

The Spryfield Lions Rink opened to the public on November 17, 1972. The main funding for this project, now at a cost of $ 138,000.00 consisted of three walk-a-thons, a $ 25,000.00 grant from NS Department of Recreation and private pledges. On October 1, 1972 a $ 75,000.00 mortgage was acquired with the signatures of 14 Lions members and one engineer. Another $ 20,000.00required was signed by 19 other members. In January 1974, the rink was insured for $ 251,000.00. For the first year, stands from the Halifax Commons were used, a PA system was salvaged from MT&T and the ice was cleaned by hand and flooded with a 45 gallon barrel. Contractor for this project was Stevens and Fiske. Legal work was provided at no cost by John Buchanan and Associates.

By April 1978, the mortgage was paid in full. At that time, this was the largest project ever undertaken by a Lions Club in Nova Scotia. To this day, the Spryfield Lions Rink is solely owned and operated by the Spryfield Lions Club.

## Truro & District Lions Club History

Truro Lions Club, chartered February 16, 1946 and home of the province's fifth Lions Club, was sponsored by the Dartmouth Lions Club, of Dartmouth, Nova Scotia. Within three months, Truro had sponsored a Lions Club in Parrsboro. By the end of 1946,

Bedford Lions had sponsored Shubenacadie Lions; a year later, Truro had sponsored its second Lions Club, this one in Sheet Harbour.

The Truro Lions Club's twenty charter members included their first officers: President – William Bryson, Secretary – Stanley Edwards, and Treasurer – Blake Gillis. Within nine months, there were twenty-two additional members, more than doubling membership by the end of the Club's Charter year. While growing its own Club, Truro Lions continued to spread the word, and on April 30, 1951, sponsored its third Lions Club, in New Glasgow. Three years later, on June 11, 1954, Truro Lions Club sponsored yet another Club, this one in Amherst.

For a number of years, Truro Lions met at a series of temporary locations. In 1971, a committee was formed to look into finding a permanent home. The search resulted in the purchase of property at 1100 Prince Street, Truro. After significant renovations, the official opening of the Truro Lions Community Centre was held on November 4, 1972. Unofficially known as the Lions Club Hall, the property continues to be meeting place and venue for club events, as well as a source of income through event rentals to individuals and other organizations. While periodic upgrades and repairs are the responsibility of elected Trustees, a resident caretaker on the second floor looks after daily maintenance of the property.

In 1979, Truro Lions Club sponsored the Truro Lioness Club, with a Charter membership of 16. While assisting the Lions Club with projects such as TV Bingo and the Exhibition booth, the Lioness Club pursued its own projects, such as monthly bingo at a local home for special care. In 1992, the Truro Lioness Club disbanded. The same year, former Lioness Peggy White became the first woman to join Truro Lions Club.

After a serious fire in a Lions Hall in Quebec in 1981, a liability claim against that club and Lions Clubs International led Truro Lions to investigate incorporation. Subsequently, on September 25, 1981, a Memorandum of Association was signed and, for the first time, in addition to by-laws laid down by Lions Clubs International, Truro Lions had several that were unique to their own club.

The realization that, of its total membership, only a handful of Lions lived in the Town of Truro resulted in yet another change. In 2006, Truro Lions Club was renamed Truro & District Lions Club to better reflect its total membership.

**Community Support**

From the time of receiving its Charter, Truro Lions Club has set out to make a positive impact on the community. Although the Club has provided support to many organizations, one of the most noteworthy of these endeavours began in 1950 with presentation of a car to Victorian Order of Nurses (VON), an organization which provides, along with other health services, home care to the elderly and infirm. Continuing this practice for many years, in 1996, on the occasion of the 50th anniversary

of its Charter, Truro Lions presented VON with its 50th car. In recent years, an annual cash donation to VON has replaced the cars bearing the distinctive Lions Club logo.

Current projects focus primarily on children and youth, needy families, the elderly, and the disabled. While contributions vary according to the nature of a project, there are several to which Truro & District Lions Club commits significant resources of time or money. One of these is Northwood Intouch Personal Alarm installations; another is the Colchester Food Bank. With annual purchase of dog guides, the Club accomplishes two goals – assistance to individuals with vision, hearing, or another disability, and financial support to the Lions Foundation of Canada Dog Guide Program. In addition, the Club has participated in the Dog Guide Adopt-a-Puppy program with $100 contributions toward first-year veterinary expenses. This symbolic adoption has been Truro & District's way of honouring the Club's fallen Lions, and certificates of adoption issued by Lions Foundation of Canada in their names have been mounted on Club walls as a final tribute.

**Fundraising**

While some community projects and organizations have been assisted through hands-on activity, many have benefited solely from financial support. Without the fundraising efforts of dedicated Lions, this would not have been possible. Over the years, local Lions have raised funds through:

- door-to-door sales of light bulbs, peanuts, chocolate bars, calendars, holly, and beer mugs;
- raffles, sweepstakes, and 50/50 ticket sales;
- dances, auctions, magic and craft shows, and flea markets;
- concession booths, beer gardens, bar and hall rentals;
- Casino Nights and Television Bingo.

Of these, one of the most successful and best remembered is the booth at the Nova Scotia Provincial Exhibition, held each August in Bible Hill. Begun in 1959 at what was then known as the Colchester Exhibition, the booth was not only a great source of revenue, but also served to increase public awareness of Lions Clubs, and guaranteed active participation of every Lion during its week of operation each year. Eventually, competition and increasing costs of booth maintenance began to reduce profits, and in 2005, after 46 years of operation, the Lions Club booth at the Exhibition closed for the last time.

Today, the main source of revenue for Truro & District Lions Club is bingo. Each week from September through June, Sunday afternoons are reserved for 50/50 Bingo at the Lions Club Hall, while viewers have tuned in to Wednesday night TV Bingo since 1977. Radio Bingo, a collaborative effort of several Lions Clubs, has been played year-round on Tuesday evenings since 2007. Other significant fundraisers include an annual winter Casino Night, Pancake Breakfasts held three Saturdays in March, and Lions Club hall/bar rentals.

Since 1946, almost 500 members have been inducted into the Truro & District Lions Club. Each has contributed in his or her own way to the success of the organization and to the community it has served. Several have been celebrated in the annals of club or district history.

- In 1978, as a memorial tribute to her late husband, PDG LeRoy Rhindress, Margie Rhindress donated a Public Relations Trophy to be awarded annually at District level.
- Lion Douglas Holmes, who was inducted in March, 1961, and served as President in 1971-1972, was blind. Upon his death in 1978, the Truro Lions Club, as true "Knights of the Blind", created the Doug Holmes Memorial Fund, its purpose to purchase tools or equipment for deserving blind persons in the area served by the club.
- Lion Peter Maxwell was inducted in May, 1969, served as President in 1984-1985, and was Cabinet Secretary Treasurer during District Governor Allan Beal's term in office. Among District offices held by Lion Peter was Diabetes Chair in 1988-1989. Camp Lion Maxwell, for children suffering from type 1 diabetes, was named in memory of Lion Peter, who passed away in 1994.

## HISTORY YARMOUTH LIONS CLUB

The Yarmouth Lions Club was chartered on April 6th, 1956 , Charter Presentation took place May 25th, 1956 with Middleton as our sponsoring Club. From its very birth the Yarmouth Lions Club took an active part in community affairs along with developing the true spirit of Lionism.

Looking back over the past 56 years, our members have a strong feeling of pride and accomplishments. Those feelings were achieved by being part of the many worthwhile projects undertaken by the club.

At the outset, the Yarmouth Lions Club was instrumental in the completion of the Yarmouth Arena Project with the donation of $ 10,000. And recently the Club donated $ 25,000 to the new Mariner Center. Next a plea came from the VON to assist them in their work. The Club donated their first car to the VON in 1957/58 and since that time the Yarmouth Club has donated 20 plus cars to the VON.

Among the many accomplishments in the early years was the cost of sending a boy to Boston for a heart operation, provision of medical equipment for the Yarmouth Hospital and Villa St. Joseph, sponsorship of Safe Driving course, sponsorship of Christmas Daddies Program (we still do today), organization of Bingo for residents of senior homes (still on-going), provided a bus for transporting mentally handicapped children( Kay Nickerson Centre) which money was raised by selling wooden bricks and purchased a bus for 299 Yarmouth Lions Air Cadet Squadron.

Club has donated $ 10,000 to the Community Swimming Pool (YMCA), $ 10,000 towards a MRI unit, donated a valuable piece of real estate to the Kaye Nickerson Center for the building of their new facility and the Club has a Welfare Assistance Program where we assist those in need. It is estimated the Yarmouth Lions Club has contributed in community service and monies in excess of $ 5 million during our 56 years.

One of the Clubs most heart- warming projects was the Baby Julie Project, under the chairmanship of Lion Bob Rogerson, where we ran projects to assist a baby who was suffering a serious illness and today she is growing into a young adult.

Many fund raising projects have been held over the years, such as Mustang Club (winning ticket received a new car), Light Bulb Sales, Cooking School, Chicken Barbecue, Friday Night Bingo, TV Bingo, New Year's Eve Dances, Toll Days, Dinners, Selling Cook Books and Many more. Many hours of dedication supplied by the members has made it possible to serve our community over 56 years and we are still very strong today.

The Yarmouth Lions Club was the host Club of the First District 41N2 Convention, which comprised of Clubs from Sydney to Yarmouth. Since then the Club has been host

to 8 Conventions. The Club has sponsored three other Lions Clubs; Pubnico, Meteghan and Barrington & Area.

Expanding our efforts from Community to International we have provided C.V.C. Dogs for the blind; assistance in the cost of maintaining the Lions Foundation of Canada (Guide Dog School in Oakville, Ontario, the Club as well put extensive money in the Sight First Program to help eliminate blindness worldwide and provide assistance to major disasters throughout the world.

The Yarmouth Lions Club is always near the top as the Best Club in Nova Scotia and has on two occasions has been the top Club in the District. Its membership has been very active in the District over the years with members serving as District Committee Chairman and on committees. The Yarmouth Club has provided (4) Four District Governors of District 41N2, a Council Chairman for MD41, (2) Two Cabinet Secretary Treasurers, a Director and Chairman of the Lions Foundation of Canada and for (12) Twelve years and probably many more a Secretary for the Lions Foundation of Nova Scotia.

The Lions Motto is "WE SERVE" and over our 56 years, the Yarmouth Lions Club has shown the way for all service Clubs in the meaning of the motto "WE SERVE".

Our Club is proud of its past and looks forward to many more years of success. This we feel is assured because of the quality members on our roster. So it is on to greater accomplishments for the Club, to maintain its past glories.

President-Vivian Taylor

Vice President-Edna Weatherbee

Secretary-Helen Foster

Treasurer-Dianne Chitty

January 8th, 1981 the first regular meeting of the newly formed Amherst Lioness Club was held.

Date Chartered April 2, 1981 as the 22nd club to be chartered in the district.

Chartered Members – 13

Jessie Alexander, Louise Small, Anne Chitty, Catherine Smith, Dianne Chitty, Ruth Sorge, Sharon Fairfax, Vivian Taylor, Helen Foster, Jean Ward, Freda Gould, Edna Weatherbee, Betty McLean

The Lioness started with a donation to the VON to start their Foot Care Program and by donating TV's, magazines, geriatric chairs, clocks, toys, commode chairs to paediatrics, and lounge chairs.

Other projects and donations for the Salvation Army, Diabetics Society, Camp Tidnish, Lung Association for a new room at the IWK, Canine Vision Canada, Kidney Association, John Howards Society, and the IWK Telethon. The Lioness have been a major influence with the Amherst and area Food Bank Network since it's inception donating upwards to $2000.00 a year along with food donations throughout the year.

The Lioness also have been involved with the hospital with financial donations and the purchasing of needed equipment.

The Lionette's have been assisting the Lions since their chartered in 1962. They later became the Lioness chartering in 1981. Together they have supported groups in their work to help the less fortunate.

**AMHERST LIONETTE HISTORY**

The Lionette's donated approximately $9,000.00 to the Lions Club over the years on their annual Charter Night. They also donated two fridges and a stove for the Lions Club.

Funds were raised by holding rummage sales, bake sales, selling tickets on various items for Christmas and spring raffles and the last few years through catering.
The Lionette's worked closely with the Lions Club by assisting them in various events and fund raisers. The Lionette's provided monthly luncheons for the C.N.I.B., the Lionette's also assisted in the annual blind picnic.

## Lions Foundation of Nova Scotia

Is a Federally incorporated charitable foundation created May 8th, 1982 by more than 70 Lions Clubs within Nova Scotia

**Object**

The To build a permanent trust fund to generate an investment income, which will be utilized to assist in the funding of "Humanitarian Service Projects" (HSPs) within the Province of Nova Scotia as approved by the Cabinet.

**Criteria for HSPs**

Must:

- Satisfy an unmet requirement
- Address a province-wide benefit or requirement
- Be high profile and recognized throughout Nova Scotia as a specific activity of the Lions.
- Attract non-Lion donations, both individual and corporate.
- Generate on going media coverage.
- Create a positive Lions Image.

**Administration**

The foundation is administered by an elected Board of Directors comprised of 14 Lions who represent each of the Zones within the District. Each director serves a two year term. The chairman and the Vice Chairman are elected from the Directors, by the Directors for a one year term.

The Secretary and Treasurer are appointed by the District Governor.

The Board of the foundation meets at least twice yearly at the Fall Cabinet Meeting and at the Nova Scotia Convention, but can meet more frequently if deemed necessary.

**Recognition Policy**

***Contributions by Individuals and Lions Clubs for an Individual***

- Honorary Sustaining Member, contribution of $10.00 or more.
    - Certificate
- Honorary Life Member, contribution of $100.00 or more.
    - Certificate
    - Lapel Pin
- Honorary Progressive Life Member, contribution of $100.00 or more.
    - Certificate
    - Lapel Pin
- Honorary Lions Fellowship, contribution of $250.00 or more.
    - Wooden Plaque
    - Lapel Pin

***Club Banner Patches***

Contribution of first $100.00 donation will be awarded a Silver banner patch.

Contribution of first $1000.00 donation will be awarded a Gold banner patch.

What better way than above for clubs to support their own foundation and at the same time be recognized or acknowledge the contributions of their members to the service of Lionism by making a contribution to your foundation and our foundation.

***Memorial Donations***

Donations in memory of any deceased individual may be made by and person or group. The foundation will then issue an acknowledgement of the donation to the famil and by whom it was made.

Another form of donation can be made by any person, whereby the individual takes out a personal life insurance policy with the Foundation named as beneficiary. In this instance, the premiums qualify as a tax deduction during the individual's life and upon his/her demise, the benefits are assumed by the Foundation.

Note: As a registered charitable foundation, the Lions Foundation of Nova Scotia can issue income tax receipts for both individual and corporate donations and/or memorial gifts.

Donations and/or memorial gifts made by any Lions Club do not quality for income tax deductions.

To make a donation or memorial gift, forward your cheque to:

# HISTORICAL NOTES

1960-1961 – The first Governor of the newly created **DISTRICT 41N2** was Lion Eric B. Kinsman, Kentville.

1962 – **" LIONS INVOCATION "** was adopted by the District in 1962 at a Convention In Yarmouth. Written by Lew Freidhandler a member of the Yarmouth Lions Club at the time. "

1960-1969 - **"NEWS & VIEWS"** preceded the publication "The N.S. Lion". This Bulletin appeared in the early 60"s. These Bulletins contained the Governor's Message, Editorials, Lions Information, Minutes of Cabinet Meetings, the Budget, a page entitled "From the Club Bulletins" and other articles of interest to Lions.

1969-1970 - The **N.S. LION** came in to existence. Lion Frank Martin of Spryfield served as the first Editor of the N.S. Lion. At the Convention in held in Yarmouth in May 1970 he reported it was a success. At a Cabinet Meeting held in Port Hawkesbury in 1970 a motion was passed " Be it Resolved that the N.S. Lion is a worthwhile endeavour and we feel that we should go ahead with the project and the Cabinet find a way to pay for it." Motion carried.

1969-1970 - To encourage attendance at Cabinet Meetings District Governor Joe Maund in 1969 donated a trophy to be known as the **ROSE BOWL** to be awarded to the Club having the greatest number of Lions in attendance multiplied by the distance between the Club and the centre of the Cabinet Meeting or Convention.

1969-1970 – District 41N2 became involved with **LEOS** in 1969. The first Leo Club chartered in Nova Scotia was the Louisbourg Leo Club. Interest continued high at the time with new Leo Clubs formed each year. Nova Scotia Lions and Leos became world leaders. We had the first Leo District and the first Leo District Governor in the world.

1969-1970 – **"By-Laws of District 41N2"** approved and adopted August 29th, 1970.

1974-1975 - At the February Cabinet Meeting a decision was made to have included in the Constitution and By-Laws of the District the following – That District 41N2 hold an annual **Golf Tournament** to be sponsored by the Kingston Lions Club with the following annual tournaments to be hosted by the winning Clubs. The Kingston Club offered to provide a trophy to held for a year by the winning team.

1977-1978 - District 41N2 voted to endorse, support and sponsor the **SPEAK – OUT PROGRAM** on three levels, Club, Regional and District. The first District sponsored Speak – Out contest was held at the Nova Scotia Convention in Wolfville in May 1980.

1977-1978 - Establishment of a $ 28,000.00 **Dialysis Unit** for the IWK Hospital which Opened in May 1978 with virtually every Club in the District contributing to it.

1981-1982 - The 1st year the **Lioness Clubs** in Nova Scotia functioned as District 41N2. There were 12 Lioness Districts in the world.

1981-1982 - The **District Sick & Visitation Committee** was instituted. Lion J.J. O'Reilly was the first Chairman.

1981-1982 - At the Convention held in Halifax in 1981 approval was requested for the formation of and registration of a **Lions Foundation District 41N2.** At the Truro Cabinet Meeting in November 1981 it was reported that the Foundation was now in place. PDG Len Giffen was elected Chairman, PDG Dave Waterbury Secretary and PDG Doug Adams Treasurer.

Nov.9, 1985 – Lions Foundation of Canada, Canine Vision Canada, officially opened Canada's first guide dog school for the blind in Oakville, Ontario.

1985-1986 - A $ 20,000.00 **Mobilizer Patient Transfer Stretcher** was presented to the Cancer Treatment and Research Foundation at the Victoria General Hospital in Halifax by the Lions of Nova Scotia with the assistance of a grant from LCIF. This mobilizer by means of a simple hand control enables one person to lift, move and transfer a patient from one surface to another in virtually total comfort eliminating needless pain and suffering during handling and treatment.

July 1987 – International removed the word "male" as a condition of membership in a Lions Club.

November 1987 – The Lions of Nova Scotia adopted Camp Atlantic, a camp for diabetic children, as a District project.

1987-1988 - The year 1987 saw the completion of the first **History of Lionism in Nova Scotia, District 41N2** By Lion Cliff Edwards. The publication contained 183 pages and 24 photgraphs. The 700 copies published were distributed at the first Cabinet Meeting of the year, held in Kingston.

**May 17, 1988: First woman member, Lion Doris Collins became the first woman in Nova Scotia to become a member of an established all-male Lions Club when she was inducted in the Hubbards and Area Lions Club by District Governor Clyde Paul.**

1989-1990 - Historic Document **"District 41N2, Policy Manual"** commissioned by PCC Sid Francis during his year as District Governor was approved by the Delegates to the 1990 Nova Scotia Convention held in Yarmouth on the 28th day of April, 1990.

March 1990 – District Governor Sid Francis presented a cheque in the amount of $ 3,738.00 from the Lions Clubs of Nova Scotia to the Sunset Adult Residential Centre in Pugwash to purchase specialized computers systems to give voices to residents who are unable to speak.

1990-1991 – Volume II of the **History of Lionism in Nova Scotia** was published by Lion Cliff Edwards.

January 1993 – PDG Allan Beal and DG Art Benedict unveiled a plaque placed at the Nova Scotia Eye Centre to commemorate the presenting of a laser and operating microscope to the centre. The equipment was made possible through the joint efforts of the Lions of Nova Scotia and LCIF. Our commitment was $ 100,000.00.

1995 – Lion Leonard "Len" Giffen was elected to serve a two year term as a Director of The International Association of Lions Clubs.

1995-1996 - Marked the end of the position **Region Chairman** in District 41N2.

2003 – Lion James J. Sherry was elected to serve a two year term as a Director of The International Association of Lions Clubs.

2007-2008 - On July 1, 2007 Maine broke away from our Multiple becoming MD 41, our Multiple became MD N and **Nova Scotia became District N2.** Our District Governor was Lion Alex Hancox.

2008-2009 – **" IT'S ALL ABOUT EYES ",** District N2 Project was approved in principle at the Winter Cabinet Meeting, February 2008.

The project coordinator/initiator was PDG Evie Morine. At the time she was also the LCIF District Chair.

The purpose of the project was to provide a state-of-the-art digital slit lamp biomicroscopic camera and software system to the QEII Heath Sciences Centre's Eye Care Centre, Ophthalmology Department to assist those with corneal and anterior segment eye conditions at a cost of approximately $ 50,000.

With the assistance of a $ 25,000.00 Grant from LCIF. A $ 5,000.00 donation from the Lions Foundation of Nova Scotia and the remainder of the funds generously donated by the Lions Clubs of our District, the project was a success.

The project raised $56,131.77 and a cheque in this amount was presented on May 25, 2009 at a reception hosted by the Eye Care Centre with about 50 Lions from the district in attendance. The cheque was presented to Dr. Alan Cruess, Professor and Head of Ophthalmology and Visual Sciences at Dalhousie University and Chief of Ophthalmology at the Eye Care Centre.

The Eye Care Centre has, over the years, recognized the Lions of our district for our commitment and dedication to vision care. Another successful project and donation was completed through the "It's All About Eyes" project! "We Serve".

2011-2012 - **"BRIGADOON VILLAGE PROJECT",** The Lions of District N2 at their Fall Cabinet Meeting on October 2nd, 2010 approved in principal the largest District Project ever undertaken by the Lions of Nova Scotia.

On April 28th, 2012 in Amherst District Governor Peter Reid announced that the Lions of Nova Scotia are extremely proud to pledge the amount of $ 250,000.00 to Brigadoon Village for a Lions camper lodge.

Brigadoon Village is a non-profit, year round recreational camp dedicated to to children and youth living with chronic illness. The Lions funding will pay to construct a Brigadoon Lodge which will be dedicated to the Lions of Nova Scotia and bear our name. The year round lodge will house 24 children and staff .

Fundraising is well under way with PDG Mark Durnford leading the campaign. Our Lions Clubs International Foundation has provided a grant of $ 37,500.00. Our own Foundation, the Lions Foundation of Nova Scotia

has pledged $ 10,000.00 and with the majority of the Clubs in the District fundraising, pledging and donating our commitment will soon be met.

We have already presented a cheque on April 28th, 2012 for $ 89,038.96 and another on June 6th, 2012 for $ 44,004.27.

The Lions of Nova Scotia are extremely proud of this project as it will allow all children living with a chronic illness or condition to have the same camping experience

opportunity that all children should have a chance to have and it also shows we as Lions are living up to our motto " We Serve".

June 25, 2016 –**BRIGADOON PROJECT** completed.

January 2017 - **"HEARING FOR ALL PROGRAM" PROJECT**

The Hearing For All Program got it's start in September 2010 when District Governor Lion Bobby Dean asked if Lion David Hunter would become the new Hearing and Speech Chairperson for District N2. The first thing Lion David did was ask what his duties were and told they had no idea.

The previous District Chair advised that the hearing aids that were being collected by the Lions were given to the Society for Deaf and Hard of Hearing and found out they were then given to Dalhousie University where they were refurbished and sent overseas.

Being passionate about the people he serves Lion David did some research and found that there were a lot of people in Nova Scotia who required hearing aids and required assistance as they could not afford them.

He then contacted Dalhousie where students in training were already refurbishing the hearing aids we were collecting to see if they were interested in running a program with the Lions to assist those in need in our Province that required hearing aids.

He found that Dalhousie was interested in such a Program but in order to do it we needed separate equipment specific to the program. The equipment that was being used was for the students for their training and in order to run a full program for our purpose we needed the same kind of equipment that could be used separately from the classroom. The students would be working the program outside of their classroom training. We needed to duplicate the equipment that Dalhousie had. The cost of said equipment was $68k.

At the Winter Cabinet Meeting on February 20th, 2016 the Hearing Aid Project was approved, in principle, as a district project. I, as District Hearing and Speech chairman, proposed the Lions of District N-2 provide funding for the following equipment:

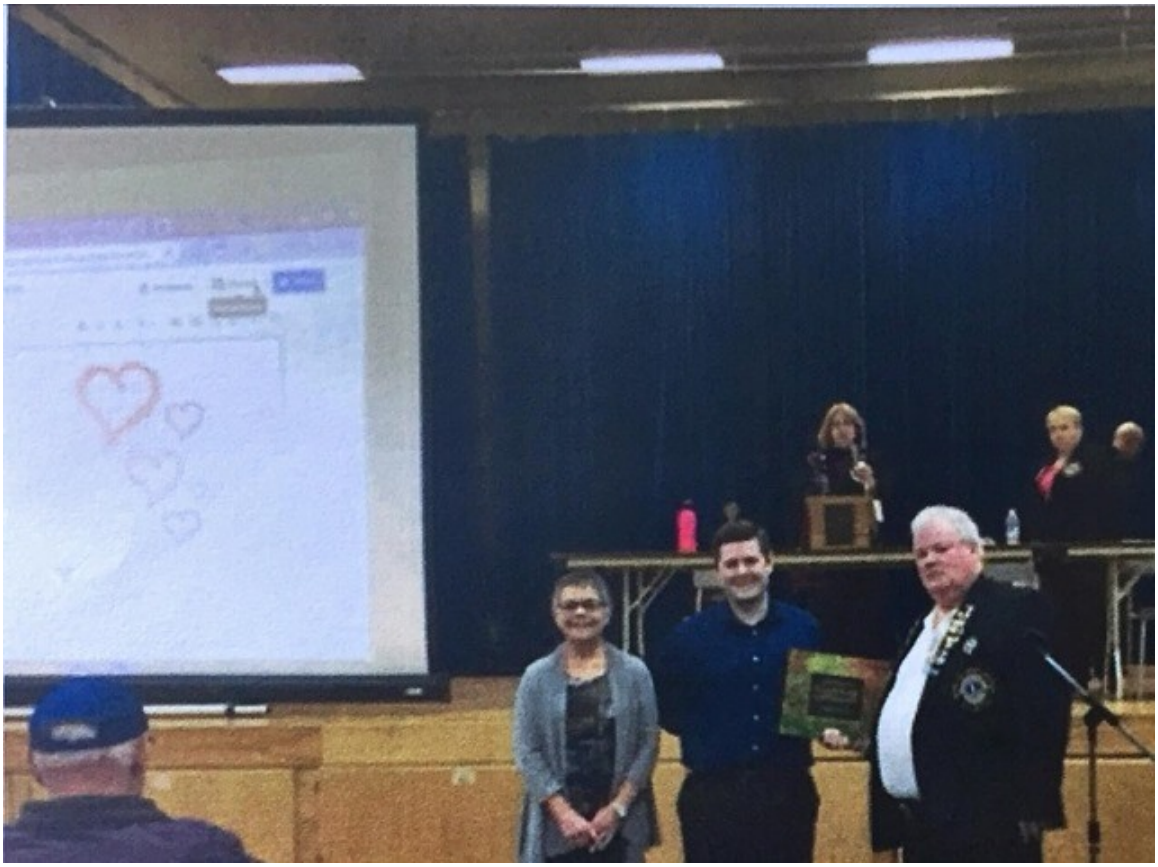

- Soundproof booth $24,000
- Type One (1) Audiometer $17,000
- Hearing Aid/real-ear acoustic measurement system $17,000
- Computer with all ancillary equipment and software $8,000
- Hearing aid repair/cleaning equipment $2,000
- Total Cost of Project $68,000.

It was noted to all that the doctor facilities were provided by Dalhousie University.

Once that was done an application was sent to LCIF requesting assistance. On January 13, 2017, the Lions Clubs International Foundation Board of Trustees APPROVED the grant. The Lions Clubs of District N2 had raised $40k and the Grant was for $25k USA so once the exchange rate was included the grand total was $72k.

The communities of Nova Scotia play a huge part in making this program a success. As Lions we place boxes in different locations throughout the province asking for anyone who has hearing aids, batteries or any other accessories having to do with hearing aids to donate them to this program. What you all need to remember is that this program belongs to District N2 Lions and the School of Communication Sciences and Disorders at Dalhousie University and without both, this program cannot run or be the success it has become. Applications for assistance with hearing aids are available by contacting the Dalhousie Hearing Assistance Program at Dalhousie University.

At the Winter Cabinet Meeting, February 2020, the School of Communication Sciences and Disorder Director Dr. Rachel Caissie and Associate Professor Dr. Steve Aiken made a presentation to Lion David in appreciation of his involvement in creating the Nova Scotia Hearing Aid Program.

2018-2019 – "**IWK HEMATOLOGY/ONCOLOGY PROJECT**" This was District Governor's Perry Oliver's project for his year as District Governor. On April 27th, 2019 at the Nova Scotia Convention in Truro a cheque in the amount of $ 22,000.00 was presented to cover the cost.

**July 26th, 2019 – MILFORD LIONS MEMORIAL PARK**

**MILFORD & DISTRICT LIONS CLUB**
**2288B Hwy 2 Milford, NS, B0N 1Y0**

December 10, 2020

Early in the Lions year 2015/16 discussions were held by the Milford & District Lions Club to determine a suitable "Legacy Project" to celebrate two upcoming anniversaries. In 2017 Lions International would mark 100 years since its inception, and 2020 would mark 100 years of Lions service in Canada, as well as the 45th Anniversary for the Milford & District Lions Club.

During these discussions it became known that the Municipality of East Hants had decided to dispose of an abandoned school property located in the centre of our community. The property had stood unused for the last 20 years.

Our Club decided to create a community park on this site that would meet the following objectives:

-restoration of an abandoned property
-beautification of our community
-conservation of the environment
-creation of a community gathering place

To design the park our club turned to Stephen King, former Director of Parks and Grounds for the City of Halifax. Mr. King is also a past member of the Enfield Elmsdale Lions Club.

Mr. King submitted a design that met all the goals the club had set forth, including the installation of tree and shrub varieties that are native to Nova Scotia. The design was unanimously accepted by the Milford Club and an amount of $20,000 was allocated by the club as a startup fund.

Site preparation was completed in the summer of 2016. Lion Len Giffen, Project Coordinator, presented the park design to local businesses and community members in hopes of raising additional funds. This effort resulted in contributions (money and materials) totalling approximately $90,000. These funds allowed for completion of the landscaping required, and the construction of a 20 ft gazebo, two picnic areas, park benches, a storage shed, and the installation of a drilled well.

Through 2017 fundraising efforts continued, resulting in the addition of a solar panel array, courtesy of a grant from the Atlantic Canada Opportunities Agency. The solar installation supplies all electricity required by the park, and a small excess is sold to Nova Scotia Power.

By May of 2018 the finishing touches were completed and the park was informally opened to the general public. Since then the park has seen numerous strollers, cyclists, and picnickers, and has hosted a family reunion, one wedding, several free concerts, Christmas carol sing-alongs, and visits from Santa Claus.

In 2019 the Lions Memorial Walk was established at the park. The Walk has been endorsed by both the Lions Foundation of Canada, and Lions District N-2 (Nova Scotia) as an Official Lions Memorial Location. As of December 2020, 33 Memorial Stones have been placed in the Memorial Walk, representing eleven Lions Clubs in Nova Scotia.

The park had its official Grand Opening on July 26th, 2019, presided over by Lions International 2nd Vice President Patti Hill, of Calgary, AB; and Immediate Past District Governor Debbie McGinley, of Milford, NS.

This past year has seen all group activities at the park being cancelled as the result of Covid-19 restrictions, save for one. In July the District Necrology Service was held at the park, as an adjunct to this year's DGO. All Covid protocols were observed.

Members of the Milford & District Lions Club have put in hundreds of hours of labour in the construction and maintenance of the park, and the club continues to fund a summer student for park maintenance.

Sincerely,
Members of the Milford & District Lions Club.

**RONALD McDONALD HOUSE**

**During her year as District Governor Lion Jane Gregory requested that during her Official Visits to Clubs in lieu of gifts to her, that a donation be made to the Ronald McDonald House Project. On May 15th, 2021 at the Nova Scotia Convention held via Zoom District Governor Jane presented Lori Barker from Ronald McDonald House via Zoom with a cheque in the amount of $ 18,890.40 which included $ 6,500.00 from LCIF.**

**The following tribute to the Lions of District 41N2 appeared in the NS Lion**

"We Serve" is how your motto reads
And you chose to serve the blind.
You work together from year to year,
With that thought in your mind.

You use your eyes, your time and skills
To help improve our lives.
The benefits reaped because of you
Are immeasurable for their size.

You never ask for thanks or praise
Although God knows it's due.

But in our hearts we surely know
how much we owe to you.

When God has time to check His list
Of those who served as He would have done
We have no doubt that He will find
That you are Number One.
